Death And The Chaste Apprentice:

Death and the Chaste Apprentice Robert Barnard,2013-04-02 At the Ketterick Arts Festival no one relishes the dubious art of innuendo more than Des Capper a font of dubious gossip and unwanted advice To the horror of the actors and singers performing at the Festival Des has been promoted to landlord of the Saracen s Head the Elizabethan inn that is at the Festival s heart And when Des toddles off to meet his maker courtesy of someone s helpful shove only his wretched wife can summon up a tear Readers meanwhile will have trouble containing their snickers at the wickedly witty characterizations

Death and the Chaste Apprentice Robert Barnard,1993-01-26 *The Killings on Jubilee Terrace* Robert Barnard,2009-05-05 Vernon Watts may have been beloved by the millions of faithful viewers of the long running soap opera Jubilee Terrace but his fellow cast members knew him for what he was an egotistical former music hall performer whose untimely death in a pedestrian accident was not something to be universally regretted Sadly though director Reggie Friedman soon fills the supposed void by asking Hamish Fawley an equally unpleasant former member of the Jubilee Terrace troupe to rejoin the soap Hamish was never much liked Now he s more obnoxious than ever The mood on the set is not exactly serene a situation made worse when the police receive an anonymous letter suggesting that Vernon Watts s accident may in fact have been murder Did one of his fellow actors push Vernon into the oncoming traffic Detective Inspector Charlie Peace faces tough challenges as he probes the make believe world of skilled thespians to find a possible killer With a cast of suspects who are trained to emote on cue Charlie will need all of his policeman s instincts if he s to avert further tragedy Writing with his usual acerbic wit and penetrating insight into human foibles acclaimed master of mystery Robert Barnard gives us another winning entry in his magnificent body of work **A Murder in Mayfair** Robert Barnard,2013-03-21 Can the rich get away with murder or is there always a price Two days in May bring Colin Pinnock s career to a peak His party wins a stunning election victory and he wins a new government office What a pity that among the congratulations pouring in lurks one grubby card asking Who do you think you are Is this someone trying to put him down a peg or is it someone holding damaging information As he probes he s led back in time to an old political scandal and a murder case ushering a politician out of office and out of sight ever after Soon events in the present start tangling with those of the past and Colin finds himself facing something worse than the toppling of his career his life is in danger Barnard mixes fact with surmise from an actual 1980s murder case to great effect **The Essential Mystery Lists** Roger M Sabin,2011-09-30 For the first time in one place Roger M Sabin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sabin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major

mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sabin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction *Dying Flames* Robert Barnard, 2006-05-16

From Robert Barnard the internationally acclaimed Diamond Dagger winning crime writer Some memories are better left buried in the past Well known author Graham Broadbent has managed to repress one particularly dangerous memory for many years but a trip home to a school reunion brings back the shocking reality of a desperate youthful passion It all begins with a knock on Graham's hotel door His visitor is nineteen year old Christa who read in the newspaper that he would be in town She introduces herself as his long lost daughter His daughter It's true that many years ago Graham had a fling with Christa's mother an exquisitely alluring school actress named Peggy Somers The dates don't work though Graham maintains he was out of the country when Christa was conceived He couldn't be her father He's almost sorry that he can't claim Christa a lively young woman who intrigues him in a strange way And what about Christa's mother the formidable Peggy who made such an impression when she portrayed Saint Joan in the school play all those years ago Why would she have lied to Christa about her paternity Why name Graham as the girl's father Separated from his wife at loose ends in his writing Graham takes the fateful step of searching out Peggy It's a big mistake Peggy's life which started with such promise has been a major disappointment Now it's about to become a disaster Peggy lies She fabricates She fantasizes She is the kind of person who will destroy Graham if he lets her As Graham finds himself drawn increasingly into the turmoil surrounding this woman and her children he must deal with deception and ultimately with murder The sins of the past return to haunt the living and the lives of those who survive will never be the same Writing with the piercing insight and wit for which he is renowned Robert Barnard creates a poignant masterpiece of mystery as thoughtful as it is entertaining *A Cry from the Dark* Robert

Barnard, 2004-02-17 Master of mystery Robert Barnard internationally acclaimed for his suspenseful witty literary gems cleverly mixes past and present in *A Cry from the Dark* an intriguing tour de force sweeping from 1930s Australia to contemporary London Bettina Whitelaw has come a long way from her childhood in the little outback town of Bundaroo Australia Many years have passed a lifetime really but she's never forgotten what happened there on the evening that changed her life forever How could she forget the school dance her taunting classmates dancing with the strange but brilliant English boy Hughie Naismyth How could she forget what happened next when overheated and exhilarated by the music and the moment she wandered off alone into a secluded wooded area Now a renowned elderly author living in London's elegant Holland Park Bettina faces a flood of memories as she works on her memoirs even though her focus is more on the frightening things that are happening today Someone has recently entered her home and gone through her desk The intruder is clearly not an ordinary burglar It must be someone she knows She's been a little lax in handing out keys so the suspects

are many her nephew Mark her agent Clare her friends Peter or Katie Or it could be someone else What does Bettina possess that this person would want to steal A puzzle that at first seems mildly disturbing soon turns deadly serious Someone is willing to kill but why Does the answer rest in Bundaroo or nearer to home A Cry from the Dark shows us vintage Robert Barnard as he slyly lays the clues that lead to his trademark surprise and poignant ending **The Bones in the Attic** Robert Barnard,2002-04-24 Matt Harper a television and radio personality and a former professional soccer player has just bought Elderholm an old stone house in Leeds in the north of England It s ideal for him his partner Aileen and her three children Even the attic space seems just right the perfect place for a game room or a children s retreat But as Matt and his decorator tour the property they find something that will put the attic off limits for a long time to come a tiny child s skeleton that has clearly been there for years What happened to the child and how did its skeleton get into the attic Detective Sergeant Charlie Peace and his forensic team think the child s remains have been in the attic for thirty years Thirty years Matt remembers that time It was 1969 and he was seven years old He was in the neighborhood spending the summer with an aunt That was the summer that Elderholm s owner left her house empty when she went to visit a daughter in Australia What happened that summer What memories lie deep in Matt s consciousness Where are the other children from that summer who now of course are adults Who killed the little child and why was he or she never reported missing And who has now written to Matt assuring him that he had no part in what occurred that he had gone home to London before it happened As Matt struggles to recover his memory of that strange summer both he and Charlie Peace ponder what it means to love and lose a child and how one thoughtless decision can change a life forever Richly evocative and deeply poignant *The Bones in the Attic* is crime writing at its best from one of the great contemporary masters of mystery **A Hovering of Vultures** Robert
