The End of Cool Japan Mark McLelland,2016-07-22 Today's convergent media environment offers unprecedented opportunities for sourcing and disseminating previously obscure popular culture material from Japan However this presents concerns regarding copyright ratings and exposure to potentially illegal content which are serious problems for those teaching and researching about Japan Despite young people's enthusiasm for Japanese popular culture these concerns spark debate about whether it can be judged harmful for youth audiences and could therefore herald the end of cool Japan This collection brings together Japan specialists in order to identify key challenges in using Japanese popular culture materials in research and teaching It addresses issues such as the availability of unofficially translated and distributed Japanese material the emphasis on adult themes violence sexual scenes and under age characters and the discrepancies in legislation and ratings systems across the

world Considering how these issues affect researchers teachers students and fans in the US Canada Australia China Japan and elsewhere in Asia the contributors discuss the different ways in which academic and fan practices are challenged by local regulations Illustrating from personal experience the sometimes fraught nature of teaching about cool Japan they suggest ways in which Japanese Studies as a discipline needs to develop clearer guidelines for teaching and research especially for new scholars entering the field As the first collection to identify some of the real problems faced by teachers and researchers of Japanese popular culture as well as the students over whom they have a duty of care this book will be of great interest to students and scholars of Japanese Studies and Cultural Studies **Kinnick Early Us Family History** Bill Smith,2009-03-10 Jasper Kinnick was born circa 1693 He married Elizabeth Brightwell daughter of Richard Brightwell and Katherine circa 1715 in Maryland They had two children He died in 1733 in Charles County Maryland Descendants and relatives lived mainly in Maryland Indiana Illionis and Iowa
