Opdyke, 2004-04-28 The financial decisions we make in our lives are sometimes not the easiest to discuss but have long lasting effects Opdyke's advice has opened the door in my relationship to conversations that were a long time coming Josh regular reader of Opdyke's Love Money column Florida Real answers to real questions about money and relationships I have too much debt and my credit isn't very good How can I fix my financial problems And how do

I break the news to my boyfriend How do I teach my kids the value of money when my parents shower them with expensive gifts My wife makes more money than I do does that give her a greater voice in our financial decisions Are we still equal How much should I give my child in allowance And will it really help him learn the value of a dollar We want to have our first baby but we don't know if we can afford it yet How much money do we really need to have in the bank If you're like most people you're struggling with questions like these Whether we like it or not money makes a big difference in the choices we make and the lives we lead Unresolved questions about money can put unwanted stress on even the healthiest relationships between spouses between parents and children and even between friends In *Love Money* columnist Jeff Opdyke offers practical personal finance advice as well as strategies for dealing with touchy financial topics so that money doesn't end up costing you something even more valuable

**The Game Plan** Bryton W Keyes, 2020-10-29 In an age where it is easier than ever to search the internet for financial advice it is tougher and tougher to work through the clutter and find good advice Too many people pay little to no attention to their finances and where their money goes This is something that can destroy people over time and prevent them from achieving goals they want to achieve in life We work so hard for our money shouldn't we make it work just as hard as we do Sports can provide a unique approach helping explain concepts to people in many different ways But what about personal finance Do sports offer relevant lessons in how people can improve their spending Cover their risks Invest more wisely I know that sports can bridge the gap between this abstract financial world and reality That's my goal of this book There are many personal finance books out there but what makes this book unique is its intertwining of the worlds of sport and finance Explaining things like investing or asset allocation in sports scenarios that make it more interesting and relatable than complicated and boring finance talk I want to take personal finance topics and concepts and put them into a sports situation that helps explain the topic in a simple way and make it more fun Because yes you don't need to be a financial whiz to have a solid financial picture Once this book shows you the basics of financial planning through a sports lens you will be surprised how much of it is common sense This book will be your playbook to financial success Time to get off the bench and get in the game Let the training or games begin
