## **Deception Of Islam:**

**A Lie Told Often Enough Becomes The Truth** Eric Schaeffer,2021-01-30 What is the most destructive weapon of all time Is it a stick A rock Sword Gun Atomic Bomb Each of these is responsible for their fair share of pain and suffering but none have come close to the amount of destruction caused by one other weapon This weapon does not look like other weapons and it appears far less threatening Most of the time its work goes unnoticed by its victims One minute it can be seen in a room full of military advisors and the next it can be in the hands of a man sitting on a park bench It can be waved overhead by an angry mob and it can be beside a mother as she feeds her baby When an enemy wants to conquer a group of people his or her first tactic is not always physical harm Their first and often most successful tactic is to change people's minds After all why should an enemy try to kill a group of people when he or she can enslave them instead Propaganda is the most destructive weapon of all time The art of deceiving the masses has been responsible for more pain and suffering than anyone can calculate All a strategic enemy has to do is articulate his or her deception in a convincing way then repeat it so often that the people begin to embrace it In other words A lie told often enough becomes the truth What makes propaganda so powerful is that people do not know they are under attack until it is too late In this way it can be comparable to rat poison Rat poison is made up of 95 percent corn and 5 percent poison When an unsuspecting rodent comes upon it he thinks it is safe to eat as the majority of rat poison smells like food and tastes like food However it is that 5 percent that will kill him Likewise the most effective lie is the one wrapped in truth In many countries Muslims are instructed to study and memorize the Qur'an from the time they are toddlers This narrative is repeated so often that it creates a stronghold in the mind and the children eventually learn to accept the narrative as truth A bias sets in that prohibits these individuals from looking at other views objectively For centuries Islamic scholars have been taking advantage of whole nations with this method of indoctrination These practices seem to be especially effective in areas where education is limited This is an unfortunate dilemma especially in light of the many errors found in the Islamic writings The goal of this book is to expose the falsehoods and manipulations found within Islam This will be accomplished by doing a comparative study of the Qur'an Hadith the Bible and historical evidence This material when examined unbiasedly provides convincing evidence that the Qur'an is not preserved historically accurate or a direct message from God It is the hope of the author that the reader will take the time to test and approve this material not with an indoctrinated and biased perspective but with equal scales and sound scholarship

**The Quran** John W. Tharp,2011-04-19 Both the Quran and Bible purportedly hold the keys to creation but when you examine both closely only one of them holds up A closer examination of Muhammads life and the Quran shows that both are opposed to all that God declares pure and holy Join author John Tharp who has traveled the world and studied these texts side by side as he explores why its no accident that the Ten Commandments were omitted from the Quran which facts show Muhammads life and teachings are not pure and holy how Islams teachings contribute to a world full of turmoil Tharp also

examines the secrets that Muslims dont share with people outside of their religion as well as the future implications of the continuing conflict between Islam and Christianity Cross the boundaries that divide Christianity Islam and other world religions to determine how and why they are different and why these differences are important Youll develop a deep understanding of how satanic deception breeds hostility against those who live a godly life in The Quran My Father Said... ! Trilogy Doug Lees-Smith,2019-04-24 My Father Said has evolved from an exercise of re organising my street evangelism notes with discussions and debates with respected Muslims over the past five years What sparked my interest in this religion Muslims believed in Jesus only refer to Jesus as a Prophet Coming from a Christian background my understanding was there must be a minor misunderstanding that can be corrected with a form of honest evaluation and understanding of Islam The shocking revelation was not so simple But the knockout blow was twofold the total ignorance most Muslims have for their faith and lack of knowledge Christians have about Islam The fort smoke screen I encountered was the five pillars of faith while are a cornerstone to the Islamic faith has absolutely no bearing on the nature of Islam In the pages of My Father Said We uncover the deception of Islam has forced on the Muslim world from the First Revelation of Muhammad through the false belief that Muslims follow the religion of Abraham the deity of Jesus Christ and the celebration of the Holy Trinity that oozes from the pages of the Quran which Muslims ignore If you are seeking a deeper understanding of how Islam works without the Islamic Gymnastics My Father Said is the answer It answers the hard questions your Muslims friends chose to ignore With easy in text quotes from the Quran and Hadith together with the authentic reference tools My Father Said offers a fair well balanced perspective of the accepted Islamic source material In addition reliable reference information is given in the footnotes for your personal review My Father Said is set to challenge the core of the Islamic faith through a simple logical reading of the Islamic source material while posing key questions Muslims are too scared to ask The message is simple Islam seeks world domination through the implementation of Sharia Law My Father Said offers you the opportunity to understand the facts before it is too late to make a difference We need to be educated and evaluate the evidence thus been equipped to make a more informed decision For example in the 18 months of writing this book our local Mosque made up of 99% of Somali immigrants has doubled in size Note at the same time the establishment of a Mosque is considered by Islam the confirmation of conquering and area I trust you enjoy the read as much as I did writing it Ibn Al-Jawzee's The Devil's Deception Abū al-Faraj 'Abd al-Rahmān ibn 'Alī Ibn al-Jawzī,1996 The Puppet Master of Islam Richard Bennett,2022-09-01 To understand the dangers imposed upon the world by Allah Muhammad and the angel of light you must look at Islam through the eyes of Christianity Hal Lindsey one of the true futurist preachers of our time wrote in The Late Great Planet Earth that there are only two sources of the supernatural The God of the Bible followed by Christians and the god of this world followed by Muslims who is described as an angel of light 2 Corinthians 11 14 This is the angel that visited Muhammad and introduced Allah into the world In the beginning Muhammad thought he was possessed He spent

years convincing himself that he was not Many however believe that what Muhammad suspected about demonic possession may be true It took a great deal of persuasion by Muhammad s first wife Khadija to convince him that his encounter may have been divine as opposed to demonic in origin She was instrumental in the birth of the prophet becoming a reality Discover the evil of Islam and how we know that the apparition that spoke to Muhammad was likely an evil spirit in The Puppet Master of Islam

**My Father Said ... ! Part One** Doug Lees-Smith,2018-10-24 My interest in the Islamic faith was sparked after hearing Muslims believe in Jesus and follow the Abrahamic faith Wow I thought that is profound wondering why Christianity dose does not embrace Islam like with the same passion as Judaism The unacceptable reality is Islam denies the death and resurrection of Jesus claiming the Messiah was nothing more than a human prophet Despite the wealth of evidence atheists like Bart Ethman are clear the Death and Resurrection of Jesus Christ is the most attested fact of Ancient HistoryIn time my research notes became excessive requiring a facelift to efficiently reference the Quran and Hadiths in discussion with Muslims Although I lack a fancy education I have been blessed with the tenacity to explore uncharted waters break the ice and open doors My Father Said is a natural evolution of this gift looking into the core Islamic objections to Christianity in an understandable in text referenced format that dispels the typical Islamic Gymnastic which is void of reliable answers This is a Polemic confrontation of the Islamic source material which uncovers the deception of Islam forced on the Muslim world You will learn that the First Revelation of Muhammad was inspired by Muhammad s wife cousin Waraqa You will see how Islam manipulates the Abrahamic faith while the deity of Jesus Christ and the celebration of the Holy Trinity that is triumphantly announced in the pages of the Quran Hidden from public view in pursuit of the Islamic god of deception Quran 8 30 Nelson Mandela understood that good trustworthy assessment of the facts results in sound knowledge Sound knowledge is a powerful tool in an effective decision making matrix Your final choice is irrelevant in light of sound knowledge the important point is the understanding of the Islamic ideology behind the Muslim faith which needs to be evaluated understood and used in making a more informed choice Both Muslims and Christian agree that the truth lies in understanding the source material Which in turn opens the door for the perfect will of the True Living God of Creation to be fulfilled This is the blessing I trust My Father Said will impart to you

**The False Prophet** Mark Winters,2024-10-11 In this bold and uncompromising expos we delves deep into the heart of Islam challenging the narrative that it is a religion of peace Drawing from historical texts the Quran and Hadith this book uncovers the troubling doctrines that have inspired centuries of violence oppression and inequality From the endorsement of child marriage and slavery to the systematic subjugation of women and non Muslims under Sharia law The False Prophet reveals a side of Islam that is often concealed from public view Through rigorous analysis the book explores how Islamic teachings on jihad martyrdom and supremacy have fueled terrorism and conflict across the globe It also shines a light on Islam s disturbing endorsement of paedophilia rooted in the Prophet Muhammad s marriage to Aisha a child bride which would be classified as a criminal act in any modern society These teachings have had

devastating consequences particularly in countries where child marriage and exploitation of minors continue to persist under religious justifications From the persecution of Christians in the Middle East to the rise of extremist groups like ISIS this book exposes how Islam's radical factions have taken root and threaten to undermine freedom and human rights worldwide The False Prophet confronts the uncomfortable truths about Islam's incompatibility with modern democratic values It offers a compelling argument for why Western society must not shy away from confronting these realities lest we compromise our principles of liberty equality and justice Daring and thought provoking this book is a call to recognize the dangers posed by Islam's most extreme interpretations including its attitudes towards women children and non believers and a demand for the preservation of our freedom in the face of growing religious intolerance     *The Great Deception* Abd al-Masih,1995

**ISLAM: THE GREAT EXPOSÉ** Mkomia Yi,1900 Muslims boast to all and sundry that they are the followers of the true religion of Abraham but beneath the lofty claim are Muslim scholars leaders and apologists presumptuous efforts to conceal the religion's thriving pagan bedrock In an attempt to bridge over the vast chasm between paganism and monotheism Islam through unsubstantiated links to Ishmael audaciously placed Abraham Hagar and Ishmael in Mecca and then attributed Abrahamic legends to pagan beliefs practices and rituals Moreover Mohammed the prophet of Islam was unashamedly presented as a monotheist in the midst of pagan Mecca despite irrefutable evidence that proves he was habitual pagan Similarly brazen attempts to morph the pagan god Allah into the God of the Bible were made but to all intents and purposes in vain This book delves into the lofty claims of Islam and dispels common misconceptions about the religion Through meticulous analysis of Islamic scriptures the book presents evidence to support its assertions It also examines the uncensored history of the religion to expose its obscure beginnings shortcomings subsequent cover ups and outright deceptions Additionally Islamic scriptures have been successfully linked to the contemporary issues of the religion's violent coercion jihadism terrorism intolerance misogyny antisemitism and supremacism Intended for truth seekers this book is the ultimate handbook for anyone in pursuit of knowledge and truths It stands as the first of its kind providing a nuanced analysis of the unsanitized scriptures of Islam ultimately revealing that it is far from what it claims to be By following the evidence of Islam's rise readers will undoubtedly uncover the thriving Arab pagan foundation upon which the religion was built

**The Greatest Deceiver?** Abdul Malik,2025-08-09 The Greatest Deceiver Unmasking the God of Islam in Light of the Bible By Abdul Malik Can Muslims and Christians truly claim to worship the same God This compelling and meticulously researched book says no and shows why Drawing directly from the Quran Hadith Islamic scholarship and the Bible The Greatest Deceiver exposes the stark differences between Allah of Islam and YHVH of Scripture Abdul Malik reveals how the Quran itself calls Allah the Khayru al Makereen the greatest of deceivers and why Muhammad Abu Bakr and Umar lived in fear of his schemes despite promises of paradise Inside you'll discover The critical distinction between the Triune God of the Bible and Islam's god Why the Quran's rejection of the Trinity rests on a misunderstanding Evidence of deception in Islamic

accounts of creation and the crucifixion of Jesus How Islamic and biblical views of omnipotence lead to radically different concepts of truth and trust A direct response to Muslim apologists and the claim that we worship the same God Far from being a dry theological treatise this is a clear direct and polemical challenge that invites honest examination Whether you are a Christian seeking to defend your faith a Muslim curious about the biblical God or a skeptic asking hard questions this book offers an unflinching investigation into the character of the God you worship or think you do Truth matters If the God you trust can deceive your eternal destiny is at stake

The Age of Deception M. Munir, 2014-03-07

We live in an age where appearance and reality are not quite the same The Quran speaks of a time that will come when truth is taken for lies and the lies taken for truth Most of humanity is blissfully ignorant of events that are happening in the world today We live in an age of deception a deception so masterfully planned and executed most of the world remains unaware Yet this plan has taken centuries to evolve and made possible due to a handful of individuals who are knowledgeable in the occult sciences A system of knowledge long forgotten by humanity brought over from the Middle East by the Knights of the Temple of Solomon it has changed our world The world has ever since been shaped by a hidden hand which use their power and prepare for the arrival of their long awaited Messiah The Jews Christians and Muslims know of him During a period nearing the end of time an individual will present himself to the world as saviour His slaves will have already prepared the world with his system in place and most of the people of the world will follow it He is the master deceiver weaving a web of deception and tricking mankind into believing this is the world to live for beyond which nothing else exists The Muslims refer to him as the Dajjal to the Christians he is the Anti Christ The words of the Quran the Bible and the Torah will be turned on their heads it will be a world dominated by Gog and Magog These two tribes shall control the world impressing their system of values and create carbon copies of themselves as the world will be left looking in awe of their domination upon the planet and begin imitating them in an era of globalisation Western civilisation is the most powerful civilisation in the history of mankind and it has dominated all aspects of life The world is a complex puzzle and to make sense of what is happening in our world it is the Quran one must turn to so to explain the strange events taking place in our present time This book will take the reader on a journey explaining the events of history and how they unravelled behind closed doors Using the Quran the reader will be made aware of the events which have taken place and what is yet to come

My Father Said... ! Part Three - Discovering

the Deception of Islam Doug Lees-Smith, 2019-04-20 Muslims are filtering into Western society in massive numbers However the western world is ignorant of the underlying ideology of Islam which is like cancer waiting to destroy all who do not submit to Allah My interest in Islam was sparked after hearing Muslims believe in Jesus and follow the Abrahamic faith Wow I thought that is profound wondering why Christianity does not embrace Islam with the same passion as with Judaism The unacceptable reality is Islam denies the Death and Resurrection of Jesus claiming the Messiah was nothing more than a human prophet The wealth of evidence is so great that even atheists like Bart Ehrman confirm that the Death and

Resurrection of Jesus is the most attested fact of Ancient History A point came when my research notes into Islam became cluttered requiring a facelift to efficiently reference the Quran and Hadiths for discussions with Muslims Although I lack a fancy education I have been blessed with the tenacity to explore uncharted waters break the ice and open doors My Father Said is a natural evolution of this gift looking into the core Islamic objections to Christianity Simply written in an understandable format with in text references which will dismiss the typical Islamic Gymnastic designed to avoid the truth This is a Polemic confrontation of the Islamic source material which uncovers the deception of Islam forced on the Muslim world You will learn that the First Revelation of Muhammad was inspired by Muhammad s wife cousin Waraqa You will read how Islam manipulates the Abrahamic faith and be enriched to find the deity of Jesus Christ and the celebration of the Holy Trinity been triumphantly announced in the pages of the Quran However it is hidden from public view in pursuit of the Islamic god of deception Quran 8 30 Nelson Mandela understood that good trustworthy assessment of the facts results in sound knowledge Sound knowledge is a powerful tool used in effective decision making My Father said is written with this in mind a fair balanced presentation of the facts I understand one s choice of faith is important but not the motivation to write this book Both Muslims and Christian agree that the true importance lies in the understanding of the source material behind the ideology which needs to be evaluated and comprehended if one is to make a more informed decision This in turn opens the door for the perfect will of the True and Living God of Creation to be fulfilled This is the blessing I trust My Father Said will impart to you **My Father Said... ! Hughes,2015 Many scholars of Islam are interested in creating a liberal inclusive

pluralistic feminist and modern version of the religion that they believe to be explicit in the pages of the Qur'an but missed by earlier interpreters. In so doing they create good Islam and in the process seek to define what does and does not count as authentic. As the purveyors of what they now believe to be veritable Islam they subsequently claim that rival presentations are bastardizations based either on Orientalism and Islamophobia if one is a non-Muslim or misogyny and homophobia if one is a Muslim that disagrees with them. Instead of engaging in critical scholarship they engage in a constructive and theological project that they deceive themselves into thinking is both analytical and empirical. This book provides a hard hitting examination of the spiritual motivations, rhetorical moves and political implications associated with these apologetical discourses. It argues that what is at stake is relevance and examines the consequences of engaging in mythopoesis as opposed to scholarship. **In the Shadow of Islam** Azar Tabari, Nahid Yeganeh, 1982 National Union of Women in Iran ETEHAD e MELLI e ZANAN
