Educational Pluralism and Democracy Ashley Rogers Berner, 2024-05-23 A revolutionary proposal for a conceptual and organizational framework for US public education that benefits all citizens

[The Economics of Digital Transformation](#) Katarzyna Śledziewska, Renata Włoch, 2021-08-01 The unprecedented Covid 19 crisis revealed the scale and scope of a new type of economy taking shape in front of our very eyes the digital economy This book presents a concise theoretical and conceptual framework for a more nuanced analysis of the economic and sociological

impacts of the technological disruption that is taking place in the markets of goods and services labour markets and the global economy more generally This interdisciplinary work is a must for researchers and students from economics business and other social science majors who seek an overview of the main digital economy concepts and research Its down to earth approach and communicative style will also speak to businesses practitioners who want to understand the ongoing digital disruption of the market rules and emergence of the new digital business models The book refers to academic insights from economics and sociology while giving numerous empirical examples drawn from basic and applied research and business It addresses several burning issues how are digital processes transforming traditional business models Does intelligent automation threaten our jobs Are we reaching the end of globalisation as we know it How can we best prepare ourselves and our children for the digitally transformed world The book will help the reader gain a better understanding of the mechanisms behind the digital transformation something that is essential in order to not only reap the plentiful opportunities being created by the digital economy but also to avoid its many pitfalls Chapters 1 3 and 5 of this book are available for free in PDF format as Open Access from the individual product page at www.routledge.com They have been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Pursuing a Public Life Sergio Marchi,2025-11-04 Do you relish the thought of serving in public life but don t know where to start With the honesty of experience distinguished politician Sergio Marchi clearly spells out all the practical steps that you need to follow A call to action for those ready to serve Canada with courage compassion and vision Hon Melanie Joly Our politics are currently suffering formidable challenges Our national discourse has become more polarized increasingly divisive and notably nastier Consequently many people are keeping their distance from public life rejecting a political system that they deem broken and unrepairable Public opinion surveys consistently reveal that public cynicism is at a record high coupled by declining voter turnout Many people are disengaged from public life The Honourable Sergio Marchi city councillor member of Parliament cabinet minister and ambassador relates his experiences over his thirty year political career He shares the adventures policy decisions and lessons learned in an effort to shed light on the inner workings of a public life from nomination meetings to campaigning to governing to make it easier for those interested in making a difference to take the plunge into an exciting meaningful and purposeful profession

Socioculturally Responsive Assessment

Randy E. Bennett,Linda Darling-Hammond,Aneesha Badrinarayan,2025-05-01 Socioculturally Responsive Assessment assembles the best available thinking from within and outside the educational measurement community about the theoretical foundations and systems level policy implications of formal assessment programs designed to be socioculturally responsive Synthesized from culturally responsive assessment design and practices culturally relevant pedagogy and funds of knowledge universal design for learning the learning sciences and other literatures this emerging concept affirms that students learning and performance is inextricably tied to the social cultural and linguistic contexts in which they live and develop knowledge Across four sections

this book provides an argument and initial evidence for impact on students users and assessment quality offers guidance for implementation and examines the potential limitations pitfalls barriers and measurement issues that such programs will inevitably raise Scholars teaching faculty test developers and policymakers will come away with integral foundations new assessment approaches and a greater sense of the potential for positive impact that these assessments may afford [Cases in Public Relations Management](#) Patricia Swann,2025-04-11 This fourth edition of Cases in Public Relations Management features a combination of new and tried and tested cases that give students a practical view of how on the ground public relations is practiced today Showcasing both successes and failures in public relations management this text uses a problem based case study approach that encourages readers to put their knowledge to the test to assess what has worked and consider alternate approaches to the situations these cases explore It features questions for discussion and prompts to dig deeper into the cases at hand New to the fourth edition Fifteen new cases including Anheuser Busch InBev Dove Juul FTX Norfolk Southern Barbie and Nike Emphasis on social media sustainability ethics and social responsibility for communication management today End of chapter activities that reinforce concepts Developed for advanced students in strategic communication and public relations this book prepares them for their future careers as communication and public relations professionals The fourth edition features fully updated online resources student case guides with case supplements instructor case guides with sample answers to end of case questions in the text and PowerPoint lecture slides Please visit www.routledge.com/9781032163642 [Information Technology for Management](#) Efraim Turban,Carol Pollard,Gregory Wood,2025-03-05 Comprehensive coverage of developments in the real world of IT management provides a realistic and up to date view of IT management in the current business environment Information Technology for Management provides students in all disciplines with a solid understanding of IT concepts terminology and the critical drivers of business sustainability performance and growth Employing a blended learning approach that presents content visually textually and interactively this acclaimed textbook helps students with different learning styles easily comprehend and retain information Throughout the text the authors provide real world insights on how to support the three essential components of business process improvements people processes and technology Information Technology for Management integrates a wealth of classroom tested pedagogical tools including 82 real world cases highlighting the successes and failures of IT around the world interactive exercises and activities whiteboard animations for each learning objective high quality illustrations and images boxed sections highlighting various job roles in IT management and giving examples of how readers will use IT in their career as a marketing accounting finance human resource management productions and operations management strategic management or information technology professional or as an entrepreneur and illustrative innovative uses of information technology Now in its thirteenth edition this leading textbook incorporates the latest developments in the field of IT management based on feedback from practitioners from top tier companies and organizations New topics include Network
