**Mark Steyvers**

## **Tok Trending Award Winning:**

**TikTok Broadway** Trevor Boffone, 2024 *TikTok Broadway Musical Theatre Fandom in the Digital Age* explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces. The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app, expanding musical theatre into a purely digital realm that spills into other non-digital aspects of U.S. popular culture. *Tok Blong Pasifik*, 2001 *You Can't Have It All* Stassi Schroeder, 2025-09-30 **THE INSTANT NEW YORK TIMES BESTSELLER** From New York Times bestselling author OG Vanderpump Rules star and host of the successful podcast Stassi a raw, relatable, brutally funny Bustle guide to rethinking the girlboss life taking the pressure off and the lessons Stassi Schroeder's learned since becoming a mom of two. Before she wrote *Off with My Head* a book about hitting what felt like rock bottom Stassi Schroeder was writing an entirely different story a basic bitch's guide on how to be a wait for it girlboss. But then 2020 came along and after a global pandemic losing her job becoming a mom and getting married suddenly being a girlboss wasn't the vibe. Instead of giving up Stassi grew and learned from her mistakes you know just standard evolution. After two and a half years in limbo Stassi was ready to launch her career again. She'd come a long way from that temperamental Season One. Stassi She'd gained a new perspective on what she wants out of life to carve a path for herself on her terms. The thing is all this pressure to have it all while girlbossing it up it's exhausting and Stassi isn't sure it's the ticket to happiness that we all thought it was. That's truly what this book is about the desire for joy and accepting that you may not be the perfect parent partner friend human and that's okay. Instead of letting mom guilt or work guilt get her down Stassi encourages us all to take the pressure off give ourselves grace and lean into the things that bring us happiness. And if you need a little sauvignon blanc or Aperol spritz to get you through the tough days cheers. **Shine: Stories and Insights from India's Public Relations Builders** Amith Prabhu, Sarika Chavan, 2025-07-24 **THIRTY PROFILES AND PERSPECTIVES FROM THE BUILDERS OF THE INDIAN PR INDUSTRY** Kiran Ray Chaudhary Madhavendra Das Tarun Deo Nikhil Dey Deepshika Dharmaraj Dhrubajyoti Gayan Veena Gidwani Santanu Gogoi Ameer Ismail Deepak Jolly Pranav Kumar Sonya Madeira Sunayna Malik Nitin Mantri Anurag Mittal Abhilasha Padhy Pooja Pathak Udit Pathak Valerie Pinto Xavier Prabhu Sharif Rangnekar Rekha Rao Amitabh Saxena Radhika Shapoorjee Atul Sharma Ashwani Singla Aseem Sood Rakesh Thukral Sarvesh Tiwari Dilip Yadav These are some of the best known names in the business of public relations the builders who laid the ground on which the profession stands today. In *Shine Stories and Insights from India's Public Relations Builders* editors Amith Prabhu and Sarika Chavan interview thirty senior PR professionals where they talk about their life work and methods. Read together the thirty pieces illuminate how the field of PR consultancy has grown over the years. These tales allow the reader a ringside view of the many ways in which these leaders found their way to the profession and to success. A must read for every PR professional and enthusiast. **Economic Trends**, 1977 **Threshold Concepts in Women's and Gender Studies** Christie Launius, Holly

Hassel,2022-03-30 Threshold Concepts in Women s and Gender Studies Ways of Seeing Thinking and Knowing is a textbook designed primarily for introduction to Women s and Gender Studies courses with the intent of providing both a skill and concept based foundation in the field The third edition includes fully revised and expanded case studies and updated statistics in addition the content has been updated throughout to reflect significant news stories and cultural developments The text is driven by a single key question What are the ways of thinking seeing and knowing that characterize Women s and Gender Studies and are valued by its practitioners This book illustrates four of the most critical concepts in Women s and Gender Studies the social construction of gender privilege and oppression intersectionality and feminist praxis and grounds these concepts in multiple illustrations Threshold Concepts in Women s and Gender Studies develops the key concepts and ways of thinking that students need to develop a deep understanding and to approach material like feminist scholars do across disciplines
