

APUSH Study Guide

Period 3

Key Concepts:

How to use this section: Think about these BIG ideas of the unit as essay questions. If you had to write a five paragraph essay about each of these topics, what would that include? Try to brainstorm in that way.

- ☐ Key Concept 3.1: British attempts to assert tighter control over its North American colonies and the colonial resolve to pursue self-government led to a colonial independence movement and the Revolutionary War.
- ☐ Key Concept 3.2: The American Revolution's democratic and republican ideals inspired new experiments with different forms of government.
- ☐ Key Concept 3.3: Migration within North America and competition over resources, boundaries, and trade intensified conflicts among peoples and nations.

Main Ideas:

How to use this section: For every idea, think about what names and key content from below fit each of these. Try to "match" each vocabulary word to a section here to place the words in a timeline and within historical context.

- ☐ The competition among the British, French, and American Indians for economic and political advantage in North America culminated in the Seven years' War (the French and Indian War), in which Britain defeated France and allied American Indians.
- ☐ The desire of many colonists to assert ideals of self-government in the face of renewed British imperial efforts led to a colonial independence movement and war with Britain.
- ☐ The ideals that inspired the revolutionary cause reflected new beliefs about politics, religion, and society that had been developing over the course of the 18th century.
- ☐ After declaring independence, American political leaders created new constitutions and declarations of rights that articulated the role of the state and federal governments while protecting individual liberties and limiting both centralized power and excessive popular influence.
- ☐ New forms of national culture and political institutions developed in the United States alongside continued regional variations and differences over economic, political, social, and foreign policy issues.

Cengage Learning Apush Study Guide:

APUSH Writing Guide (2nd Ed.) Stampede Learning Systems, 2019-07-21 Writing for the AP U S History exam isn't easy but it's critical to your success. Written responses represent 60% of your APUSH exam score. Stampede Learning is here to help with a book packed with tips, techniques, and exercises to help you CRUSH it on the writing sections of the APUSH exam. With over half of your score on the APUSH exam being based on your written responses, it's a great opportunity to score big for those who are proficient in writing. However, it may seem daunting to understand how to gain proficiency in the technical form of writing expected for the AP exam. Additionally, a tremendous amount of information is covered in a U S history course. These facts can add up to big challenges as you work through your AP class and prepare for the exam. This writing guide gives you a breakdown of the types of essay questions that appear on the APUSH exam. We help you learn solid writing techniques to use in your responses to the SAQ, DBQ, and LEQ prompts on the exam. This guide includes a description of SAQ, LEQ, and DBQ writing prompts, including similarities and differences, and a rundown of what AP readers are looking for when they read your responses. Summaries of events, trends, and people that are essential to know for the exam. Exercises to reinforce your understanding of key dates and events and how they relate to the exam question. Step by step guidance in analyzing DBQ documents systematically. Practice questions with sample answers to use as a model and compare your answers to after you complete them. FOR INSTRUCTORS: Because our APUSH Writing Guide is in workbook format, each student should obtain her own copy. This book is best used as an instructor-guided resource, but it can easily be used for self-guided test prep by motivated independent learners. Instructors love using this book in the classroom because grading and offering feedback on student writing is a time-consuming process; the faster students become strong writers, the more manageable the teacher's essay grading workload becomes.

APUSH Writing Guide Stampede Learning Systems, 2018-02-28 Sixty percent of the Advanced Placement U S History APUSH exam requires a written response. This creates a great opportunity for those who are proficient in writing to ensure they can pass the test. However, it may seem daunting to understand how to gain proficiency in the technical form of writing that is expected for the AP exam. Additionally, a tremendous amount of information is covered in a U S history course. These facts can add up to big challenges as you work through your AP class and prepare for the exam. This writing guide gives you a to the point breakdown of the types of essay questions that appear on the APUSH exam. We help you learn solid writing techniques to use in your responses to the Document Based Questions, DBQ, and Long Essay Questions, LEQ, on the APUSH test. This guide includes a description of SAQ, LEQ, and DBQ writing prompts, including similarities and differences, and a rundown of what AP readers are looking for when they read your responses. Summaries of the events, trends, and people that are essential to know for the exam. Exercises to help reinforce your understanding of key dates and events and how they relate to the exam question. Step by step guidance in how to analyze DBQ documents systematically and Practice questions with sample answers that can be used as a model or to

compare your answers to after you complete them
