Chasing Forever Volume 4:

Villi's Bride (Norlanian Brides Book Four) R. E. Butler, 2017-05-21 Villi grew up knowing that his people the Ligaru were feared by the Norlanians on the other side of the Issizlik Mountains. He wouldn't care about that except that his people have few females of their own. Unlike their Norlanian counterparts the Ligaru don't care about the females' inability to breed. They only care that every female is with her soul mate. During a mission to Kyvern City to destroy the soul walk machine, Villi finds himself entranced with a scent in the building, recognizing it as the scent of his own soul mate. After his job is done, he leaves his people and locates the female, planning to prove to her that he's no monster under the bed but rather a male worthy of being her soul mate and loving her for the rest of his life. Pilar Rotahn is a no-nonsense female who takes great pride in her catering business and teaching job at the culinary academy in Kyvern City. Although she would never admit it out loud, she doesn't like coming home to an empty house each night or waking up alone. But as a sterile Norlanian female, she knows that no male will ever go on the soul walk and dream about her. One night, she's woken by a strange male in her bedroom. He's the sexiest male she's ever seen, even with his fangs, and when he offers to take her to his home on the other side of the forbidden mountain, she throws caution to the wind and goes with him. Is the life that Villi offers too good to be true, or will Pilar find everything she ever dreamed of on the other side of the mountain? **A Teton Mountain Christmas**

Kellie Coates Gilbert, 2025-11-02 Christmas in Thunder Mountain is always magical, but this year it's nothing short of miraculous. After a bittersweet farewell, Mayor Reva Nygard is finally coming home for the holidays. Her friends have planned a festive welcome party complete with twinkling lights, cinnamon cider, and plenty of hugs. But when a blizzard grounds her flight, it seems even Christmas magic might not be enough to bring her home. Meanwhile, a quiet miracle is unfolding back in town. Annie Cumberland, who long ago let go of the dream of motherhood, is stunned to learn she's pregnant with twins. What she thought was menopause turns out to be the surprise of a lifetime. And when she goes into labor at Reva's long-awaited party, the entire community rallies around her just like they always do. With snow falling, candles glowing, and new life beginning, the women of Thunder Mountain discover that sometimes the best gifts come wrapped in the most unexpected ways. Celebrate the power of friendship, love, and fresh beginnings in this unforgettable holiday conclusion to the Teton Mountain Series. **Dero's Bride (Norlanian Brides Book Five)**

R. E. Butler, 2017-06-11 Tarihn, an unmated female on the planet Norlan, has spent most of her life knowing that she'll likely never be chosen as a mate because she's sterile. She spends her days watching her people take soul mates from other planets and find happiness, but she knows she won't ever be so lucky. Dero lives on the forbidden side of the Issizlik Mountains. He's never ventured to the other side of the mountain until now when he and his people mount a mission to destroy the soul walk machines used to abduct females from other planets and the vaccinations that have caused the females to become sterile. What he doesn't expect is to scent his own soul mate in the medical center or for her to pass out in fear when they come face to face. Dero has three days to convince Tarihn that

they're soul mates or he'll have to return her to her home and erase her memory. The thought of living without her for even a moment is too much for him to bear and he'll do everything in his power to ensure that she knows he wants to spend the rest of his life making her happy. Will she give him a chance to prove that they're meant to be together or will she want to go back to her own people?

Dragon's Treasured Mate (Uncontrollable Shift Book Two) R. E. Butler, 2018-01-06 When dragon shifter Torrence develops a life-threatening allergy to his people's mating fruit, no female within a thousand miles will mate him. Heading to his father's homestead in the Tomb Mountains, he finds himself at odds with the local wolf pack and facing a lonely future. Cecily Houseman has never been happier. She's finally able to open her own shop, Cecily's Donuts. Although she grew up in Tomb as a human among wolves, she's always felt on the outside of things. The alpha's son is interested in being her mate, but he's not the right one for her. She's waiting for that spark to knock her off her feet. Torrence wakes one morning with a single thought: go to town. The nearer he gets, the stronger his beast rails in his head. As he comes to a donut shop, his beast forces a shift so fast and hard that he rips the door off the shop and takes out the town gazebo with his tail. The alpha wolf wants him gone because he's dangerous, but Cecily takes one look into his golden eyes and knows that he's the one for her.

Cowboy Dreams Kaje Harper, 2025-05-22 The right man for a longtime cowboy might be a city slicker. Joe I've been going into Max's Place for twenty years, but tonight's different. There's a stranger at the bar with city-fancy clothes, wide shoulders, and the face of a fallen angel. I'm just an ordinary cowhand. Being gay's the most noteworthy thing about me, so I don't expect much. But when his eyes light on mine and he invites me to ride in his classic '67 Mustang, I figure what the hell. If he's a serial killer, what a way to go. And if he's not, then a couple of my cowboy dreams might finally come true. Sylvester I grew up here in these Colorado foothills, but I haven't been back since I was ten. Now I've inherited my grandfather's neglected ranch, and I can't decide whether to sell it or stay. I stop in at the only gay bar in fifty miles, wondering if I can have a decent life as an out gay man in this county. And there, coming in the door, is the kind of tall, lean, working cowboy who pushes all my buttons. I don't know if Joe will be a reason to stay or a one-night stand, but I'm going to have fun tonight.

Cowboy Dreams is a 36,000-word novella about two solitary men in their 40s figuring out how unexpectedly well they fit together in bed and out of it. All royalties from this book through December 2025 will be donated bi-monthly to Nova Ukraine, a 501(c)(3) registered nonprofit organization dedicated to providing humanitarian aid to Ukraine.

Winter Cowboy Kaje Harper, 2025-12-21 Austin I made it to age eighteen as Frankie Morse Frank Junior, my dad's prized possession and sometimes punching bag. But only because Dad never knew I was gay. On my eighteenth birthday, I defied him and ran. Crossed three states in the miraculous gift of an old truck before I ran out of gas outside the Star Bar ranch in the Sierra Nevada foothills. Now I'm broke, they aren't hiring, and my string of luck has apparently come to an end. But here in the free California air, I can choose to use my middle name, Austin. I can be as gay as I please. And maybe just maybe the approval I see in a weathered winter cowboy's eyes means I

haven't totally wrecked my life Seth After messing up bigtime years ago and letting a young man get hurt on my watch I'm never mixing business and pleasure again I'm gay I'm out but when I'm around the horses and the cattle I refuse to be distracted Even by a young man with a world of hurt in his eyes and a mouth created to tempt me Austin needs a helping hand but that's the only kind of hand he's getting If he's even willing to bend his pride enough to take that I'm 33 he's 18 and barely finding his feet and anyhow we're full up with ranch hands for the winter But when I find him bartering barn cleaning for a place to sleep that isn't below freezing I'm not made of stone My cabin's small but I can give him shelter Just for one night or two A novel connected to Cowboy Dreams featuring a determined young man a cautious older one difficult pasts stubborn pride a truck named Tilly some horses cows and dogs and only one bed Content warning for abusive parenting and attempted assault Contains spoilers for Cowboy Dreams *Video Source Book* ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction *Collier's* ,1911 *The Index* ,1907 **The Video Source Book** David J.
