cook Donna Hay returns with a beautiful new cookbook that you'll want to use every night of the week. There are endless arguments out there for bringing more vegetables to your table: your own wellbeing, your budget, our environment, the list goes on. Whatever your personal reason, there's one that I think is universal: FLAVOUR. Gone are the days where a sad salad or soft steamed carrots were our only options. These recipes use vegetables in a whole new way, adding so much life to your weekly routine. Who knew broccoli in my mind, the superfood of all vegetables, could make such a delicious pizza base, flat bread or tart shell. Often for lunch or even a snack, I'll bake my super green falafels in the oven and my studio team love them. As for my boys, their current weeknight request is my crunchy raw pad thai, so yum. Inside *Week Light*, you'll find all these ideas and so much more. It's essentially my week in food in a book: super quick, family friendly, fuss-free meals made REAL. Vegetables are at the forefront of nearly every recipe, with a few meat options thrown in, and there are lots of my all-time classics re-worked to include more goodness. This book is about using food to refuel and re-energise while nurturing ourselves with flavour. Happy cooking.
