How to Start a Home Cell Ministry James D. Craig, Donald E. Hill, 1981-07 **How to Be a Great Cell Group Coach** Joel Comiskey, 2022-04-22

Research has proven that the greatest contributor to cell group success is the quality of coaching provided for cell group leaders. Many are serving in the position of a coach but they don't fully understand what they are supposed to do in this position. Joel Comiskey has identified seven habits of great cell group coaches. These include: Receiving from God, Listening to the needs of the cell group leader, Encouraging the cell group leader, Caring for the multiple aspects of a leader's life, Developing the cell leader in various aspects of leadership, Strategizing with the cell leader to create a plan, Challenging the cell leader to grow. Practical insights on how to develop these seven habits are outlined in section one. Section two addresses how to polish your skills as a coach with instructions on diagnosing problems in a cell group, how to lead coaching meetings, and what to do when visiting a cell group meeting. This book will prepare you to be a great cell group coach, one who mentors, supports, and guides cell group leaders into great ministry.
