**Letters on the Greatness and Simplicity of the Christian Faith (Classic Reprint)** Henry Churchill King, 2015-07-08 Excerpt from Letters on the Greatness and Simplicity of the Christian Faith Letters is issued under an other title because it has been found that the former title Letters to Sunday School Teachers gave a wrong impression of the aim of the book as a possible book of Sunday school methods The letters were originally written for the Pilgrim Teacher to help Sunday school teachers to see for themselves and to put to their pupils as clearly and simply as possible the great truths of the Christian faith But this aim in its essence is one that concerns all thoughtful Christians and it has accordingly seemed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Christian Faith: Personally Given in a System of Doctrine (Classic Reprint) Olin Alfred Curtis, 2018-03-15 Excerpt from The Christian Faith Personally Given in a System of Doctrine Neither in claim nor in spirit is this book dogmatic As indicated in several ways by the book itself there is no attempt to speak the final word no aim to be or to become the recognized authority of any church or of any school or of any man After years of preparatory waiting I have I believe caught an important vision of the Christian Faith as an organic Whole of doctrine and I am eager to help other men to catch the same Vision In reading the book many peculiarities of View and method will be discovered but the main clue to all can be found in one thing namely in the junction of the two ideas personal responsibility and racial solidarity Every man is a responsible moral person but no man is complete in himself he is made to be a fragment of an entire race Instead of being content with one of these ideas I use them both in junction and with equally serious emphasis In this peculiar junction there may be I sometimes hope a fair mediation between Arminianism and Calvinism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

**Christian Faith for Men of Today (Classic Reprint)** Ezra Albert Cook, 2018-01-18

Excerpt from *Christian Faith for Men of Today*: This book aims to present the essential truths of historic Christianity in orderly form in non-technical language in view of and in harmony with those elements of the scientific and religious thought of today which are generally accepted by trained minds. It is intended primarily for use in classes for religious study in college, Young Men's Christian Association, Sunday school, and kindred organizations. It is the result of my experience and work with such classes and has been in process of preparation for more than six years.

importance The Scriptures of the Hebrew people permeate too deeply the distinctively Christian writings and have affected too seriously the fortunes of Christianity and the standards of Christian conduct for the adherents of the religion of Jesus ever to put them aside as none of their concern The following pages are an endeavor to set forth some of the more important consequences both for good and evil of the inclusion of Hebrew writings in the Christian Bible and to illustrate a few of the practical consequences of the newer views concerning the Old Testament NO opinion could be more mistaken than that which regards the criticism of the older books of the Bible as an affair of antiquarians and pedants without influence upon practical life The truth is that the researches of About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Christian Doctrine of Faith**  
**(Classic Reprint)** James Hastings, 2018-01-29 Excerpt from The Christian Doctrine of Faith This is not a theological treatise on the one hand nor on the other is it a volume of sermons Like its predecessor the volume on Prayer it has a distinct office to fulfil an office that in the judgment of the editor is of immense importance For between the professor's lecture room and the preacher's study there is a great gulf fixed In the lecture room the lectures on systematic theology are laboriously entered into notebooks which are useful for the exit examinations But when the active work of the ministry begins and so many sermons have to be prepared every week the cupboard into which those notebooks have been stowed away is left undisturbed The preacher begins to spin his sermons out of his own brains with the assistance of such popular books as happen to be at his hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
