Christian Parenting in Today's World David E. Miller, 2006-03 Parenting with Kingdom Purpose Kenneth S. Hemphill, Ken Hemphill, Richard Ross, 2005 Designed to help parents instill in their children a faith that has a foundation the authors reveal what must be instilled in today's youth for faith to be a reality in their adult lives The Encyclopedia of Christian Parenting, 1982 **The Christian Parenting Handbook** Scott Turansky, Joanne Miller RN, 2013-04-29 Bring about real and lasting change in your child's life and grow in your confidence as a parent With advice on parenting coming from friends social media popular culture and so many other places what do you listen to and what do you ignore In The Christian Parenting Handbook you will learn to develop your own biblical philosophy of parenting and use it to filter the many ideas that come your way The Christian Parenting Handbook by Dr Scott Turansky and Joanne Miller founders of the National Center for Biblical Parenting compiles 50 parenting principles that use heart based strategies to teach you how to face daily challenges When parents focus on the heart kids learn to ask different questions about life Instead of asking What's in it for me they learn to ask What's the right thing to do You'll soon see how a heart based approach to parenting looks deeper and brings about greater lasting change In The Christian Parenting Handbook you'll learn how to Identify heart lessons to teach your child Learn ways to correct instruct and set limits Transfer responsibility for change to your child Build internal motivation Teach your kids to be solvers instead of whiners Identify character qualities to address problems Use creativity to teach your kids spiritual truths Envision a positive future for your children And much more With these strategies you'll be able to move from behavior modification to a heart based approach to parenting Instead of relying on rewards incentives threats and punishment you'll learn how to identify heart lessons to teach your child and implement them in practical ways The daily interaction you have with your children can impact them for the rest of their lives With these 50 heart based strategies you'll develop your own biblical philosophy of parenting and gain perspective greater motivation and confidence that you're moving in the right direction The Lifegiving Parent Sally Clarkson, Clay Clarkson, 2018 In The Lifegiving Parent respected authors and parents Clay and Sally Clarkson explore eight key principles heartbeats of lifegiving parenting to shed light on what it means to create a home where your children will experience the living God in your family Now parents of four grown children each with their own unique personality and gifts Sally and Clay have learned sometimes the hard way that the key to shaping a heart begins at home as you foster a deep and thoughtful God infused relationship with each child Filled with biblical insight and classic Clarkson stories The Lifegiving Parent will equip you with the tools and wisdom you need to give your children much more than just a good Christian life You'll give them the life of Christ

Christian Parenting Donna Sinclair, 1992-01-01 Using real life examples parents Donna Sinclair and Yvonne Stewart offer down to earth guidance and sensitive theological reflection for Christians raising children amid the realities of today's world Issues discussed include materialism competition sexuality and conflict **Guidelines for Christian Parents** Walter H.

Werner, Harold F. Tuggy, Theodore H. Epp, Robert S. Peterson, 1975 **The Flourishing Family** Dr. David Erickson, Amanda Erickson, 2024-09-17 When it comes to Christian parenting we crave confidence wisdom and most of all peace We pray for peace when our little ones are tossed about by waves of emotions for connection and confidence when navigating stressful mornings and exhausting nights and for wisdom in knowing how best to discipline our kids As Christian parents we re desperate to get it right to raise our children to be strong courageous followers of Jesus and yet despite the overload of endless advice at our fingertips we often feel completely and utterly lost You can become the parent Christ has called you to be and change your home and family from the inside out In *The Flourishing Family* Dr David and Amanda Erickson offer a new parenting perspective one that cultivates peace gentleness and confidence Deeply rooted in Scripture and backed by modern neuroscience as well as insight into child development their book will equip you to rethink common assumptions about what the Bible says about parenting and align your parenting approach with the teachings of Jesus and your identity in Him cultivate the inner peace needed to lead and guide your family with Christ and His grace at the center critically assess various gentle parenting principles through a Gospel lens so that you can respond to your child with understanding and patience honoring the divine image and unique personality God created them to have and use compassionate discipline as discipleship to focus on the heart behind your child s actions addressing the developmental or neurological roots of their behavior rather than merely correcting or punishing their actions or choices Your legacy is not defined by your parenting perfection but by your commitment to follow in the way of Jesus and to trust His Spirit to cultivate the seeds you re diligently planting throughout your children s lives Trust that He will meet you in these pages and that He will transform your hearts and home *Wise Stewards* Michael W. Austin, Supplemental text for family and marriage courses resource for pastors and marriage counselors parents *Raising Christian Children in a Secular World* Cheryl Dickow, 2007-04 A gentle guidebook that reminds parents to turn to the ultimate source and authority on raising children The Bible Bible passages and simple activities enhance each chapter in a way that allows parents to make the messages come alive in their home and in their family s lives **The Christian Parent's Guide to Guilt-Free Parenting** Robert G. Bruce, Debra F. Bruce, Ellen W. Oldacre, 1997 Parenting is no easy task Raising children while simultaneously attempting to balance relationships careers work in church and community and other activities can result in parental guilt Many parents say there never seems to be enough time energy or money for their children Even parents who know they are doing the best they can sometimes experience a nagging feeling that they should do more give more and be more for their children This sense of not measuring up often leads to the physical and psychological results of overwork exhaustion and anxiety *The Christian Parents Guide to Guilt Free Parenting* offers encouragement and practical help for breaking the bondage of parental guilt at every stage of parenting It teaches parents how to lean on God s grace and let go of unrealistic expectations about being perfect parents as they work toward being good enough in all that they do Topics include the causes and effects of parenting guilt setting family

priorities and goals accepting limitations preventing burnout and being at peace with God through prayer Bible study and Christian fellowship Each chapter includes practical suggestions biblical support and examples from everyday Christian families including single parent homes and blended families **Christian Self Esteem** Diana S. Richmond Garland,1993

Christian Parenting Gardiner Spring,2012-09-01 Time and again the Word of God calls us to be in subjection to authority If there is a place where this call should be especially steady and certain it is the family And it is a happy family who cultivates this habit of subordination God has assigned the years of childhood and youth to parental control This wise and generous arrangement simply cannot be upended without jeopardizing the best interests of our children for time and eternity It is an arrangement that will preserve a child from a thousand evils The spirit that considers a parent s wishes that hesitates to violate a parent s authority that prefers to sacrifice its own gratification this spirit is one of the strongest shields that can be thrown around youthful character In fact this spirit of submission helps lead to early purity Not every dutiful child is pure but it certainly is more likely that such a child will become so rather than one of an obstinate unbending temper

Parenting and Partnering with Purpose Natalie A. Francisco,2010-01-29 Parenting and Partnering with Purpose is an inspirational resource designed to motivate parents educators and church leaders to form and maintain strategic partnerships in the education of today s youth Sound principles for parenting and teaching as well as suggestions for establishing a Christian day care and school are shared from a biblical perspective given Dr Francisco s professional training and many years of experience as a mother and an educator **How to Raise Children for Christ** Andrew

Murray,2016-11-01 I will put my trust in Him Behold I and the children which God has given me Hebrews 2 13 This book is different from most books on raising children It is a plea for the parents to truly know and walk with God for them to love God and His Word In the correct order focusing first on the parents Andrew Murray then urges parents to sincerely and consistently love their children and in all tenderness and gentleness teach them as God also teaches us Children are a most precious gift that we receive from God and they deserve our very best Our faithful training will not be lost on our children this is a promise found over and over again in the Scriptures If our hearts are right towards God and our children the world s influence will not impact our children We can and must exercise faith so our children and our children s children will be able to impact the world for Christ and inherit eternal blessings A few of the parenting topics covered in this book What sin did to the family and how to redeem that which was lost The distinct and also shared roles of fathers and mothers How and why to teach children manners How to show children the Scriptures in a way that takes root in the heart How to teach with a quiet gentle spirit as God teaches us How to intercede effectively in prayer for our children Raising Them Right Peter E.
