## Phonics Screening Check

### What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is a key skill for children to learn as it helps them to understand the sounds of words and how they are written. It is a skill that is used in all areas of literacy.

### How is phonics taught?

Phonics is taught in a systematic way, starting with the sounds of individual letters and then moving on to the sounds of words. Children are taught to identify the sounds of words and to write the letters that represent those sounds.

Phonics is taught in a way that is fun and engaging for children. Teachers use a variety of activities to help children learn, including games, songs, and stories.

### Why is phonics important?

Phonics is an important skill for children to learn as it helps them to understand the sounds of words and how they are written. It is a skill that is used in all areas of literacy.

### How can parents help?

Parents can help their children to learn phonics by reading to them and talking to them about the sounds of words. They can also help their children to identify the sounds of words and to write the letters that represent those sounds.

### What is the phonics screening check?

The phonics screening check is a test that is used to assess children's phonics skills. It is a test that is taken at the end of Year One and it is a test that is used to help teachers to identify children who may need extra help with phonics.
