The ABC, Or, Alphabetical Railway Guide, 1900 *The New England Museum Guide* Swordsmith Production, 2001-06

There are hundreds of museums in New England. Everyone knows the famous museums but there are smaller treasures scattered throughout the region in unexpected places documenting New England history, artwork, folklore, and life. *The New England Museum Guide* is a guide to the New England museums from artwork to armories to arboretums to living history where they are, when to go, how to get there, and what to look for. The book also features indexes of museums listed by highway for easy driving and information on special museum organizations like the Society for Preservation of New England Antiquities, memberships, and discount programs. *Real Estate Record and Builders' Guide*, 1922 *Catalog of Copyright Entries.
