**Contemporary Strategy Analysis** Robert M. Grant, 2016-01-05 A strategy text on value creation with case studies The ninth edition of Contemporary Strategy Analysis Text and Cases focuses on the fundamentals of value creation with an emphasis on practicality Topics in this edition include platform based competition and ecosystems of related industries the role of strategy making processes mergers acquisitions and alliances and strategy implementation Within the twenty case studies students will find leading companies that are familiar to them This strategy analysis text is suitable for MBA and advanced undergraduate students

**Case Studies in Sustainability Management** Jordi Vives Gabriel, 2017-11-30 With the rapidly growing importance of sustainability and

corporate responsibility in a globalised world management schools are increasingly integrating long term economic environmental and social issues into their teaching and research Climate change poverty labour standards and human rights are among the many topics that future decision makers will need to face in their careers Business education needs to reflect this new reality and provide a broadened understanding of value creation in order to create economic capital while developing social and preserving natural capital Case studies can be important tools for creating learning processes on different levels students are forced to struggle with exactly the kinds of decisions and dilemmas managers confront every day In this reflection of reality the values and goals of the student are systematically challenged This can be especially valuable in the context of sustainability management organisations are now continually forced to value the different aspects of sustainability and their interrelations How do social issues impact the economic bottom line How can an environmentally sound strategy create a positive impact on employee motivation and thus have measurable impact on economic performance What comes first and why This third collection of oikos case studies is based on the winning cases from the 2010 to 2013 annual case competition So what makes an excellent case in sustainability management These cases have been highly praised because they provide excellent learning opportunities tell engaging stories deal with recent situations include quotations from key actors are thought provoking and controversial require decision making and provide clear take aways These cases are clustered in three different sections Large Corporations and Corporate Sustainability Dilemmas Managing Stakeholder Relations and Sustainability as a Source of Differentiation Strategies Case Studies in Sustainability Management will be an essential purchase for educators and is likely to be a widely used as a course textbook at all levels of management education Online Teaching Notes to accompany each chapter are available on request with the purchase of the book
