## **Christ Centered Childbirth:**

Christ Centered Childbirth Kelly Townsend, 2005-07-01 A desperately needed book that encourages the reader to draw upon the strength of the Holy Spirit who reduces the fear and torment of birth. It includes a devotional Bible study that is easy to organize information on the practical issues of pregnancy labor and delivery and most importantly the spiritual issues surrounding the expectant couple. This book is a one of a kind focusing primarily on the lessons God would have us learn while becoming parents or growing the family. Ultimately the foundational purpose of Christ Centered Childbirth is to give glory to God by bringing Jesus back into birth. **Christ Centered Childbirth**, 1973 *Holy Labor* Aubry G. Smith, 2016-09-21

Women are valued for their ability to bear children in many cultures. The birth process though supposedly the most painful experience of a woman's life is seen as a necessary evil to achieve the end goal of children and motherhood. And yet in the face of a typically masculinized Christianity that nevertheless professes that women are equally created in the image of God shouldn't childbirth a uniquely feminine experience itself shape Christian women's souls and teach them about the heart of the God they love and follow? Drawing on her own experience of giving birth and motherhood and the conflicting assumptions attached to them by Christians and the culture at large Aubry G. Smith presents a richly scriptural exploration of common conceptions about pregnancy and childbirth that will not only help mothers and soon to be mothers understand how to think biblically about birth but also walks them through how to put the ideas into practice in their own lives. Along the way she shows all readers how to see God's own experience of the birth process and how childbirth leads to a deeper understanding of the gospel overall. **Christian Childbirth** Marianne Manley RN CNM, 2014-09-30 Christian Childbirth by Marianne Manley RN CNM contains birth stories written by Christians for Christians and provides information related to childbearing and beyond from a Christian perspective.
