The Jesus Way Study Guide Eugene H.

Peterson, Peter Santucci, 2007-06-11 The third book in Eugene Peterson's momentous five volume conversation on spiritual theology *The Jesus Way* considers the way of the Lord that became incarnate and complete in Jesus. Arguing that the way Jesus leads and the way we follow are symbiotic, Peterson challenges the ways of the contemporary American church, showing how they often obliterate what is unique in the Jesus way. This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of *The Jesus Way*. Peterson's discussion is broken up here into eleven sessions, each of which contains a summary, a list of key adjectives, quotations to consider, and questions for interaction, ending with a select prayer from one of several traveling companions on the Jesus way. *Manual of Christian Doctrine* Louis Berkhof, 1939-02-15 Basing this work on his own full scale Systematic Theology, Berkhof summarizes the body of church doctrine, beginning with the doctrines of Scripture and God and proceeding through statements on anthropology, Christology, soteriology, and more. **Systematic Theology** Alfred R. Malo, 2017-09-05 In a day where churches have forsaken the midweek Bible study and come together only on Sunday morning, there is a lack of doctrinal teaching to facilitate growth in a believer. The Bible tells us to study to show yourself approved unto God, a workman that need not be ashamed, rightly dividing the Word of Truth, God's Word. For those new in the faith or those who desire to know the Lord in a deeper way through continued study, how is that possible? The answer is through self study. This book was written to be a tool to help you examine some of the foundational doctrines. It is not written in scholarly language but in a way that will benefit learners at all stages of growth. We will examine together what the Holy Scriptures teach on The Trinity, The Word of God, The Lord Jesus Christ, and the Holy Spirit. There is a wealth of knowledge in this volume when used as a guide for individual study or in a group that will help to set any believer upon the right foundation. Back cover **Teachings of the Bible Made Simple** Mark Water, 2002 This introduction to the world of Christian doctrine helps the reader explore the wide ranging teaching of the Bible on key topics. It includes the Bible's mind blowing assertions: how could Jesus be both man and God? its teaching about salvation: where does atonement, justification, and redemption fit? its challenging subjects: how will I face the last judgement? its perplexing doctrines: how can there be both predestination and free will? and its edifying teaching: did all the Bible miracles really happen? The book also includes more extensive Bible studies on the controversial life, sacrificial death, and much debated resurrection of Jesus. [Outline Studies in Christian Doctrine](#) George Palmer Pardington, 2012-07-01 **A Guide to the Study of the Christian Religion** William Herbert Perry Faunce, 1916
