*Mindset* Carol S. Dweck, 2007-12-26 From the renowned psychologist who introduced the world to growth mindset comes this updated edition of the million copy bestseller featuring transformative insights into redefining success building lifelong resilience and supercharging self improvement Through clever research studies and engaging writing Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life Bill Gates GatesNotes It's not always the people who start out the smartest who end up the smartest After decades of research world renowned Stanford University psychologist Carol S Dweck Ph D discovered a simple but groundbreaking idea the power of mindset In this brilliant book she shows how success in school work sports the arts and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities People with a fixed mindset those who believe

that abilities are fixed are less likely to flourish than those with a growth mindset those who believe that abilities can be developed Mindset reveals how great parents teachers managers and athletes can put this idea to use to foster outstanding accomplishment In this edition Dweck offers new insights into her now famous and broadly embraced concept She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper truer growth mindset She also expands the mindset concept beyond the individual applying it to the cultures of groups and organizations With the right mindset you can motivate those you lead teach and love to transform their lives and your own *1999 Writer's Market*
