Close Encounters Close Encounters:

Close Encounters of the Third Kind Steven Spielberg, 1978 Unexplainable happenings to several people meant just the beginning of a dramatic event to the rest of humanity **Close Encounters of the Third Kind** Steven Spielberg, 1983

Close Encounters of the Third Kind Michael Klastorin, 2017-10-24 Celebrate the fortieth anniversary of Steven Spielberg's sci-fi classic *Close Encounters of the Third Kind* with this fully authorized behind-the-scenes book exploring the creation, production, and legacy of this iconic film. Created in conjunction with Sony Pictures and Amblin Entertainment, *Close Encounters of the Third Kind: The Visual History* details the complete creative journey behind the making of the film and examines its cultural impact. Featuring rare and never-before-seen imagery from the archives, the book brings together a stunning collection of on-set photography, concept art, storyboards, and more to create a visual narrative of the film's journey to the big screen. It also features a wealth of insightful commentary from every key player involved in the film, from the acclaimed director himself to the film's stars and the key department heads who brought Spielberg's vision to life. Special inserts and interactive elements include script pages, call lists, concept sketches, and more. Comprehensive, compelling, and filled with unseen treasures, *Close Encounters of the Third Kind: The Ultimate Visual History* is a fitting tribute to one of history's most iconic films.

Close Encounters of the Third Kind Dana Polan, 2024-10-03 Steven Spielberg's *Close Encounters of the Third Kind* (1977) is a film very much of its cinematic moment, combining the gritty realism of entrapment in the everyday with furtive dreams of escape. Dana Polan's compelling study of the film examines its significance to New Hollywood cinema and the science-fiction genre. He argues that *Close Encounters* is a film that is an allegory of the cinematic experience; overall, it both narrates a tale of visual seduction and plays it out viscerally for the spectator who shares the amazement of the protagonist Roy Neary as his mundane reality is transformed into something awe-inspiring. Providing an in-depth look into the film's production history, including all three different versions, Polan situates *Close Encounters* within Spielberg's repertoire. He argues that despite the film's popular success, it is in fact a rejection of several entrenched American values, including family, home, and marriage. It offers, through its visual fascination, alternative understandings of masculinity and morality, familial responsibility, and what it means to follow the American Dream.

Close Encounters of the Third Kind Jon Towlson, 2016-09-01 This book explores the intensity of emotion and childlike wonder in Steven Spielberg's *Close Encounters of the Third Kind*. Jon Towlson also examines the film's production history, analyzes Spielberg's realization of the film, and considers how it fits into the Spielberg oeuvre.

Searching for Close Encounters with Aliens Janna Silverstein, Ian M.
