Just three years later, on January 11, 1935, she flew from Hawaii to California faster than any other pilot, making her the fastest flyer of her time. Amelia's adventures kept soaring as she achieved her dream, proving that girls can do anything they set their minds to! Tragically, the plane disappeared in July of that year, leaving behind a mystery that has fascinated people for decades. Amelia's incredible courage and determination made her a role model for many people, inspiring them to reach for the stars and go after their dreams, no matter how far away they may seem. To this day, we honor Amelia's pioneering spirit and remember her as a true aviation legend. Her legacy reminds us to never stop exploring, just like she did with the unfathomable skies.
