CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger if you're using our ebook version or turn of a page. Finally at the end we will have 2 full practice tests so that you can gauge whether or not you are fully ready for your final certification. This will focus on key questions that many previous CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready. Reasons Why You Need This CNA Study Guide: Getting prepared for the CNA exam is no easy task. According to a recent poll over 27% of those that take the test fail. That means those students wasted their money and their time. This can be absolutely frustrating and cause many problems in the future. Another reason having a CNA Study Guide on hand is super important is that once you become a certified nursing assistant you will only have certification for that particular state. So if you move to another state at some point in your life you will have to re-certify in that state. That may sound easy considering you might have done it for years before moving, however imagine taking the driver's test again after all those years of learning how to really drive a car. You probably don't follow all of the rules right? Well the same can happen to a CNA. They can develop the get it done the right way type attitude which won't test well on the certification exam. 10 out of 10 must have for all CNAs CNA Exam Cram CNA Study Guide Cna Nnaap Study Guide Team, 2013-11-29. Think all NNAAP exam study guides are the same. Think again. With easy to understand lessons and practice test questions designed to maximize your score you'll be ready. You don't want to waste time and money having to study all over again because you didn't get effective studying in. You want to accelerate your education not miss opportunities for starting your future career. Every year thousands of people think that they are ready for the CNA Certified Nurse Assistant exam by the NNAAP but realize too late when they get their score back that they were not ready at all. They weren't incapable and they certainly did their best but they simply weren't studying the right way. There are a variety of methods to prepare for the CNA Exam and they get a variety of results. Trivium Test Preps CNA NNAAP exam Study Guide provides the information, secrets and confidence needed to get you the score you need the first time around. Losing points on the NNAAP exam can cost you precious time, money and effort that you shouldn't have to spend. What is in the book? In our CNA Certified Nurse Assistant study guide you get the most comprehensive review of all tested concepts. The subjects are easy to understand and fully explained with example questions to ensure that you master the material. Best of all we show you how this information will be applied on the real exam. CNA practice questions are included so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept driven, not filled with excess junk, silly attempts at humor or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive and effective package. Practice the CNA! Certified Nurse Assistant Practice Questions Complete Test Preparation Inc, 2013-11-25.
