

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you wake up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "I".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Over the past few decades there have been intense debates in education surrounding children's literacy achievement and ways to promote reading particularly that of boys. The Harry Potter book series has been received enthusiastically by very many children boys and girls alike but has also been constructed in popular and media discourses as a children's particularly a boys literacy saviour. Children's Literacy Practices and Preferences Harry Potter and Beyond provides empirical evidence of young people's reported literacy practices and views on reading and of how they see how the Harry Potter series as having impacted their own literacy. The volume explores and debunks some of the myths surrounding Harry Potter and literacy and contextualizes these within children's wider reading.
