to practice      **David South Consulting Projects and Impact 1997 to 2014** David South, Senior Partner,2015-01-30 David South Consulting is an international development media and consulting service Designing human development and health Editor and writer of Southern Innovator Website [www.davidsouthconsulting.com](http://www.davidsouthconsulting.com)      **UNDP Mongolia Partnership for Progress 1997 to 1999 Key Documents** David South, UNDP Mongolia Communications Coordinator,2015-02-13 The Partnership for Progress between the United Nations and the Government of Mongolia was launched in 1997 in the middle of a severe economic crisis It detailed UNDP s response and the key areas of focus The mission simultaneously had to deal with the 1997 Asian Crisis [http://en.wikipedia.org/wiki/1997\\_Asian\\_financial\\_crisis](http://en.wikipedia.org/wiki/1997_Asian_financial_crisis) and the worst peacetime economic collapse in post WWII history      **The SAGE Encyclopedia of Educational Technology** J. Michael Spector,2015-01-29 The SAGE Encyclopedia of Educational Technology examines information on leveraging the power of technology to support teaching and learning While using innovative technology to educate individuals is certainly not a new topic how it is approached adapted and used toward the services of achieving real gains in student performance is extremely pertinent This two volume encyclopedia explores such issues focusing on core topics and issues that will retain relevance in the face of perpetually evolving devices services and specific techniques As technology evolves and becomes even more low cost easy to use and more accessible the education sector will evolve alongside it For instance issues surrounding reasoning behind how one study has shown students retain information better in traditional print formats are a topic explored within the pages of this new encyclopedia Features A collection of 300 350 entries are organized in A to Z fashion in 2 volumes available in a choice of print or electronic formats Entries authored by key figures in the field conclude with cross references and further readings A detailed index the Reader s Guide themes and cross references combine for search and browse in the electronic version This reference encyclopedia is a reliable and precise source on educational technology and a must have reference for all academic libraries      *Startup Finance 2.0* Sam Ghosh,2025-08-29 Traditional corporate financial theories and tools are based on matured companies with the assumption that the companies are going concerns Going Concern refers to the assumption that a company will continue to operate indefinitely with no intention or necessity of liquidation or cessation of operations in the foreseeable future The problem is that the Going Concern assumption does not hold for startups due to the inherent uncertainty associated with startups Traditional financial education and resources usually meant for analysts and accountants aren t ideal for entrepreneurs They focus on analyzing past data from established businesses not on making forward looking decisions in the uncertain and highly dynamic environment of startups Entrepreneurs also often struggle to prioritize the allocation of resources between seemingly urgent matters and matters that are important for the long term value of the startup Thus this book takes a value oriented approach to startup finance The book is designed to build the financial intuition that an entrepreneur needs to prioritize matters vital for the long term value of the company raise capital and allocate capital for value maximization It also looks at finance from a value creation point of view and covers specific

methods especially suited for startups from investment assessment to valuation to fundraising to managing day to day finances
