Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1 500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets, featured saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

**These Fates That Bind Us** Rachel Tork, 2024-07-10 Dreams and danger that's what the Unseelie Court holds. And I've fallen right into its king's forbidden thrall, Aster Quiin aka Asteria Fairwae, the lost Seelie princess. Likes to pretend her life is perfectly normal. And through a deal with her uncle, the regent king, that's mostly possible. That is until she dances with a beautiful silver-haired stranger at a nightclub. The stranger turns out to be Nox Ether, the notorious King of the Unseelie Court and her uncle's political enemy. Nox takes a darkly keen interest in Aster, his presence bleeding into more than just her waking hours. All the while, unrest stirs within the Unseelie Court as members of Nox's inner circle disappear and whispers that demonic forces are at play begin to spread. When Aster's forbidden attraction to the Unseelie King and the threat of danger brewing in the courts become intrinsically linked, she is forced to face her fate, even if in the end it's the death of her. For fans of Laura Thalassa and Scarlett St. Clair, this urban fantasy romance takes a twist on traditional faerie folklore and features a morally grey love interest, a snarky heroine, and slow-burn spice.
