### **Creatus Series Boxed Set:**

Creatus Carmen DeSousa, 2016-09-09 Derrick's desire to save one human girl will ignite a war. For four thousand years creatus have concealed themselves from the humans who hunted them almost to extinction. Unwittingly one creatus will endanger them all. As with most of his family, Derrick Ashton knows his future and what position he's destined to fill within his unique society. Everything changes, however, when he breaks one of his family's strictest laws and falls in love with a human. In his quest to protect the woman, he can never have a twist of fate propels him into a new role that will cause dissension among his family and endanger the anonymity that they've spent thousands of years protecting. Now he will risk everything to save the girl from humans and his own kind. The one thing he can't save her from, however, is herself. The *Creatus* series is not your normal paranormal story; it's a realistic supernatural romantic suspense based on the myths you've heard your entire life. Prepare to believe. Editorial Reviews: This story is completely unique and is definitely not generic sex and vampires. In fact, I think *Creatus* will redefine the paranormal genre. *Creatus* has intrigue, suspense, romance, and tremendous depth. *Quiet Fury* Books. This book could easily classify itself as romance, mystery, suspense, thriller. I'm not a big *Twilight* fan, but I did enjoy the first movie. I found *Creatus* reminding me somewhat of *Twilight*, but with actors I loved. *New York Times* and *USA Today* bestselling author Linda S. Prather well-written, compassionately told, and creates characters that make you want to know them better. It is the foundation for a great series, and I believe it will be quite popular. *Sweet Mystery Books*. Bonus Material: This special edition boxed set includes the prequel *Creatus: They Exist* (Creatus Book One) and a sneak peek at *Creatus: Rogue*.

For four thousand years creatus have concealed themselves from the humans who hunted them almost to extinction. Now one rogue faction plans to retaliate by ridding the world of humankind. Only one division of creatus, with the strength and numbers to fight the sinister sect, stands between humanity and a new world order. What they discover, however, might prove the truth about the creatus myths and why humans started hunting them so many thousands of years ago. Maybe humans were right. The *Creatus* series is not your normal paranormal story; it's a realistic romantic mystery based on the myths you've heard your entire life. Prepare to believe.

DeSousa,2023-12-05 The ultimate battle starts now For four thousand years creatus have hidden their existence believing their strength and diet would frighten humans into hunting them to extinction But now a faction of militaristic creatus has a weapon a breed of creatus so fierce that its legacy of death and destruction has fed nightmares for millennia Unwilling to be a pawn Vev moved her family so the youngest members won t be a danger to humans or used by rogue creatus But she s lonely Her heart belongs to a man who shattered it As much as she wants to mend her heart and be with Arthur again she must train the young creatus Wanting to see Arthur and prove she can move on Vev sneaks into town only to learn of the new threat With the strange venom running through her blood Vev alone has the power to stop the new breed by creating an army of creatus capable of protecting humans from annihilation But sometimes you can t control what you create What readers are saying about the Creatus series This story is completely unique and is definitely not generic sex and vampires In fact I think Creatus will redefine the paranormal genre Creatus has intrigue suspense romance and tremendous depth Goodreads Creatus This book could easily classify itself as romance mystery suspense thriller I m not a big Twilight fan but I did enjoy the first movie I found Creatus reminding me somewhat of Twilight but with actors I loved New York Times and USA Today bestselling author Linda S Prather Creatus There are twists and turns in the rogue plot that started in the first book Creatus along with revelations New York Times bestselling author Jaime Rush Creatus Rogue One of my favorite things about this book and the series in general is that it s written in a way that feels entirely plausible The explanations and the science all make sense We could very well have a race of people called Creatus blending in with us average humans Goodreads Creatus Talis The Creatus series is based on the myths you ve heard your entire life Prepare to believe

**Creatus Talis** Carmen DeSousa,2018-12-18 For four thousand years creatus elders have insisted that the creatus population concealed themselves from human beings because humans had hunted the creatus almost to extinction But one woman s research reveals that when creatus first arrived on this planet humans didn t fear the alien beings that looked so much like the human race That is until the creatus started to breed with humans creating a ferocious killer feared by humans and creatus alike A creature so fierce that its legacy of death and destruction has fed nightmares for millennia And now a new breed of creatus has been born or rather reborn Vev one of the first generations of creatus talis finds herself torn between her younger family members and a forbidden love as she fights to save the young talis from being turned into a weapon or worse annihilation      *Cary Redmond Series: Box Set Books 1 - 3* Kat Simons,2022      **SHIFT SERIES BOX SET ONE**.
