Tish's life gets only more complicated when she picks up a passenger, Dr. Fleet Urbech, a sexy blue-skinned alien with a secret: he is number one on the Intergalactic Alliance's most wanted list. Tish and Fleet have to flee across the galaxy on a mission to save his home planet, dodging asteroids, IG ships, and an indescribable attraction that becomes more and more electric as they near Fleet's home planet. Can Tish deliver her cargo and passenger without succumbing to his alien charms? Cyborg Love: All the cyborgs want is the chance to live, but they have to fight for it. Cyborgs aren't meant to live. They're monsters created by the Government to fight. When they went wrong, they should have been killed there, and then Eve hates the cyborg army because they killed her brother. She doesn't care that they've got a consciousness; she doesn't consider them human. They shouldn't be here anymore. However, her path for revenge leads her to the very hot Javier, a cyborg that teaches her she isn't always right. As he takes her on a journey she wasn't expecting, she learns that maybe she hasn't ever been supporting the right side. As more shocks and secrets are revealed, she recognizes the world needs a massive change and that she might have to help make that change come about. As a stowaway in a space carrier, she is apprehended as soon as she reaches Station One, on the farthest edge of human-known space. She is arrested and put into the brig. From there, things can only go up. Released from the brig and working at a lowly perfume stall, she becomes embroiled in an altercation that threatens the security of Station One and could have intergalactic repercussions. When it starts looking like dangerous terrorists are trying to kill her, she has the bad timing to fall in love with not one but two aliens. She had not been looking for love, but cannot help how she feels. As the danger deepens and her relationship with the two aliens deepens, she begins to wonder whether she will live to explore the new reaches of her heart. Well, Tessa has always believed that space is filled with possibilities. She now has possibilities. Her Cyborg Heroes: Robyn is a woman of medicine with a heart seeking companionship. She had no idea she would find her love in two cyborg men who become much more than the heroes of her heart. Meeting and dating two handsome and intelligent men changed Dr. Robyn Atkinson's view of relationships. But waking up the next morning with two consorts wasn't the only surprise that day. She would be thrust into the heat of an alien attack, one that would shape the future of humanity and the future of their relationship. Would they be able to survive this invasion together, or would it ultimately destroy the very delicate foundation they were attempting to build.
