The Cost of Discipleship Dietrich Bonhoeffer, 2012-08-07 NEW FOREWORD BY ERIC METAXAS Dietrich Bonhoeffer one of the most important theologians of the twentieth century illuminates the relationship between ourselves and the teachings of Jesus in this classic book on living as a Christian What can the call to discipleship the adherence to the word of Jesus mean today to the businessman the soldier the laborer or the government worker What did Jesus mean to say to us What is his will for us today Drawing on the Sermon on the Mount Dietrich Bonhoeffer answers these timeless questions by providing a seminal reading of the dichotomy between cheap grace and costly grace Cheap grace Bonhoeffer wrote is the grace we bestow on ourselves grace without discipleship Costly grace is the gospel which must be sought again and again the gift which must be asked for the door at which a man must knock It is costly because it costs a man his life and it is grace because it gives a man the only true life *The Cost of Discipleship* is a compelling statement of the demands of sacrifice and ethical consistency from a man whose life and thought were exemplary articulations of a new type of leadership inspired by the Gospel and imbued with the spirit of Christian humanism and a creative sense of civic duty **Grace Is Free, but It Isn't Cheap** David Tomberlin, 2022-11-22 Pastor David Tomberlin explains the difference between true saving grace and counterfeit versions in *Grace Is Free But It Isn't Cheap* Challenging Today's Watered Down Version of Christianity **The Cost of Discipleship** Dietrich Bonhoeffer, 2024-04-30 *The Cost of Discipleship* is one of the bestselling titles on the SCM Classics list and one of the classics of modern theology Perhaps Dietrich Bonhoeffer's most radical book this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 60 years With a foreword by Stephen Plant Dean of Trinity Hall Cambridge and one of the leading Bonhoeffer scholars of our time **Pastors, Preachers, Leaders and Teachers, Don't Quit on Monday** Dr. Paul D. Stevens Sr., 2020-07-20 This book is written for Pastors and Ministry leaders who have been faithful to their calling I want to encourage these men and women to remain faithful to their vocation It goes without saying that ministry isn't always easy There are times when doing the work of the Lord can be overwhelming to the point of wanting to walk away from it all It is a fact that many who serve in ministry suffer from burnout stress and depression It is the intent of this author to share some of the reasons why pastors preachers and ministry leaders want to quit the ministry and why they need to re-evaluate what they are doing and find ways to work smarter and not harder As you read through this book it is my hope that you learn two things First you are not alone when you feel like calling it quits and secondly you will find ways to slow down catch your breath and do what is necessary to have a refreshing and effective ministry **Overture to Practical Theology** Jeanne Stevenson-Moessner, 2016-11-10 In *Overture to Practical Theology* Jeanne Stevenson Moessner takes a new route to introduce theology students and others to the field of practical theology Although she is certainly aware of relatively recent efforts to show the academic credentials of practical theology through careful definition citing that of David Tracy analysis of components and linkages to other disciplines within

and without the overall framework of theology she proceeds by means of a double analogy rather than abstract academic precision to illumine practical theology Actual case studies also helpfully illumine aspects of her work From the Foreword by James N Lapsley The book examines biblical foundations historical roots and current manifestations of social justice ministry

Steven Moessner shows how practical theology addresses racism sexism violence anti-Semitism ecological imbalance and life at the margins of society the vexing issues of today's ministry *The Cost of Discipleship* Dietrich Bonhoeffer, 2015-11-02 Perhaps Dietrich Bonhoeffer's most radical book this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years **Free in Deed** Craig L. Nesson, 2022-01-11 Free in Deed serves as a primer in Lutheran ethics for faith and the church as the body of Christ It captures the fruit of Craig L Nesson's teaching of ethics and his research and reflection on Christian ethical existence over his entire career The heart of Lutheran ethics Nesson claims involves serving neighbors When Christ sets us free indeed John 8:36 we are set free to serve others in deed Ethics involves intentional and disciplined reflection together in community on the choices we must make in living out our lives in the world While the focus on loving the neighbor is not unique to Lutheran ethics the author contends in this book that it is the most distinctive feature of ethics in the Lutheran perspective To that end Nesson explores biblical authority and Lutheran hermeneutics alongside the authority of the traditional elements of tradition reason and experience He moves on to explore what gospel freedom looks like in the current American context Nesson acknowledges the misinterpretation of Luther's two kingdoms teaching opting to describe Luther's two kingdoms as God's two strategies to bring forth the kingdom shalom of God Also addressed are the themes of justification and sanctification the vocation of the universal priesthood the ethics of the cross Lutheran ethics and political advocacy and the ethics of forgiveness The book is accessibly written with theology students pastors and interested lay readers in mind The Power to Comprehend with All the Saints Wallace M. Alston, Cynthia A. Jarvis, 2009-08-26 How does a theologically substantive ministry come into being And how does a theological orientation to the vocation make a difference in pastoral practice The Power to Comprehend with All the Saints brings pastor theologians together to answer these and other key questions about the integrity of their vocation These pastoral voices speak wisdom that will enrich both the academy and the church Foundations of Theology John Peter Lewis, 2022-07-15 Foundations of Theology is a unique systematic theology constructed from a review and consideration of biblical historical primarily the early church the Reformation and revivals and contemporary sources Significantly the theology of Ellen White is referred to in most sections and is considered the foundation source for other inclusions Furthermore Foundations of Theology is a contemporary theology that is profoundly Arminian and Wesleyan but also refers to Martin Luther John Calvin and Karl Barth It is intended for a broad audience being academic in its referencing but accessible in its discussion Discipleship Dietrich Bonhoeffer, John D. Godsey, Barbara Green, Geoffrey B. Kelly, 2003-05-28 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp

warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches *Choose You This Day* Paul C. McGlasson, 2019-07-25 The American church is in crisis The crisis is not caused by the politics of Trumpism though that is the occasion for it The crisis is evoked by the great challenge which every generation faces to follow Jesus Christ in the way of discipleship The word of God's promise sets before American Christians a simple but dramatic choice in the face of the toxic politics of Trumpism Does the gospel of Jesus Christ embrace the politics of Trumpism Yes or no Each must choose and the gospel itself is at stake

The Cost of Discipleship Dietrich 1906-1945 Bonhoeffer, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Bonhoeffer's Ethic of Discipleship Kenneth Earl Morris, 1986 This is the first book to focus on the ethic that Dietrich Bonhoeffer constructed during the 1930s an ethic he crafted while playing a key role in Christian resistance to Nazism and an ethic still inspiring politically active Christians The ethic of discipleship this study argues represents a reworking of the Christian faith so that it becomes actively opposed to totalitarianism This book therefore adds a significant dimension to the published record concerning the German theologian and pastor executed in 1945 for conspiring to assassinate Hitler and overthrow the Third Reich Since an ethic reflects more than a cognitive assent and has emotional and experiential dimensions the author's approach is socio psychological drawing on the large documentary record of Bonhoeffer's family relations Reductionism however is rejected in this book which gives social psychology parity but not superiority in understanding Bonhoeffer's religious quest and political dialogue **The Schwenkfeldian**, 1992 The Grammar of Grace Kent Eilers, Ashley Cocksworth, Anna M. Silvas, 2019-06-11 This anthology is a collection of readings on the Christian life They were carefully selected from every era of history and from across the
