years later Emmy Award winning investigative journalist Paula Woodward revisits the cold case to share new insider information on the heinous murder that gripped the nation. After the murder of JonBen t Ramsey rumors and misinformation planted by Boulder Colorado law enforcement sped rapidly around the world. Suspicion immediately fell on the family as police sought to exploit her death in the media. Prosecutors and law enforcement intentionally manipulated existing evidence and ignored inconvenient evidence. Child beauty pageant photos of JonBen t whipped the case into a judgmental frenzy. Paula Woodward was one of the few journalists who reported the family's side of the story. She's still investigating the 25 year conspiracy to convict John and Patsy Ramsey by law enforcement who acted with arrogance, insecurity, incompetence and benign neglect. In *Unsolved* the follow up to Woodward's award winning and acclaimed true crime expos *We Have Your Daughter*, Woodward explores outstanding questions still swirling around the cold case. Who wrote the baffling ransom note? What was found in the 11 pages of exclusive police report summaries backgrounding the Ramseys? And why has the case languished for years? Included in the book are new exclusive interviews with John Ramsey, his wife Jan and his son John Andrew as they look back at the case 25 years later and react with stunning candor. New photos and reports from JonBen t's teachers, friends and family cut through the sensationalized headlines to show who JonBen t really was. Interwoven throughout the book is expert commentary on what the actual evidence shows and whether the killer might ever be caught. With never before released evidence from a now passive investigation, *Unsolved* presents the known facts of the killing of JonBen t Ramsey, the bizarre yet intriguing aspects of this ongoing mystery and gives you rare insight into whether a family member or an intruder savagely murdered JonBen t.
