Instructional Strategies for Middle and High School Bruce E. Larson, Timothy A. Keiper, 2013 Instructional Strategies for Middle and High School is an accessible practical and engaging methods textbook that introduces pre-service teachers to various instructional strategies and helps them to decide how and when to use these methods in the classroom. Classrooms are comprised of diverse learners and aspiring teachers will face complex decisions about the assessment of student learning and classroom management. Veteran teacher educators Bruce Larson and Timothy Keiper offer practical suggestions for ways to integrate effective classroom management and valid assessment techniques with each instructional strategy. Instructional Strategies for Middle and High School equips pre-service teachers with the methodological tools to promote understanding, conceptual awareness, and learning for every child in the classroom. Features and updates to this new edition include: Clear step-by-step descriptions and illustrative in-class videos of seven instructional techniques and that pre-service teachers can realistically implement within the classroom setting. Increased coverage on teaching English language learners including a Making Your Lesson More Meaningful for ELLs feature now included in every instructional strategy chapter. Enhancing Your Teaching With Technology feature included in every instructional strategy chapter. Fresh interior design to better highlight pedagogical elements and key features all to better engage students. Fully revamped and comprehensive companion website with both student and instructor materials that stress real-world application of strategies, classroom assessment, and management.

Transforming Schools Rachel Cohen Losoff, Kelly Broxterman, 2017-05-11 Presenting a unique team-based problem-solving model, this book shows how to turn K-8 school change from a daunting prospect into an achievable goal supported by a concrete plan. A framework is provided for addressing any schoolwide academic or behavior issue from reading or math problems to concerns about school safety or tardiness. Four clear-cut steps are described: problem identification, problem analysis, plan development, and plan implementation/evaluation. In a convenient large-size format, the book includes procedures for navigating each step, extended case examples, frequently asked questions, and 13 reproducible forms. Purchasers get access to a companion website where they can download and print the reproducible materials as well as online-only practice exercises with answers. This book is in The Guilford Practical Intervention in the Schools Series, edited by Sandra M. Chafouleas.
