Strategist Kismet is a story about a young woman's journey toward self discovery at a time when women didn't have many opportunities beyond marriage and childbearing. What if a woman wanted more? Risk taking men found freedom and opportunity by rushing to the California goldfields. Why not women? Only those women with courage, foresight, and someone to believe in them stood a chance at seeing California's golden light. Dearest Dot, Learned illicit family business. Must flee Boston. For your family's safety, say nothing to my father. Meet me in San Francisco. Please Love Dash. Why didn't Donovan O'Creigh just ask her to go with him? Unsure if she's more exasperated by being left at the altar or abandoned to certain spinsterhood in Boston's rigid society, Lillia Soilleux has to decide if she buckles under or breaks free. Regardless, nothing steels her determination more than being underestimated. When her adventurer uncle arrives for the wedding, he unknowingly provides her with the opportunity she needs to test her conviction to Donovan. They sail around Cape Horn on a ship filled with a cargo that allows only one stop along the way. Thrown together with strangers for five straight months in a confined space makes for boredom and tension between passengers. It is here that Lillia discovers her true essence and is confronted by surprising and dangerous choices.

Moss Bluff Rebel Philip Robert Caudill, 2009. Reveals a detailed portrait of a fascinating Texan William Duncan, businessman, county sheriff, cattleman, and Confederate officer, capturing his wartime emotions and his postwar struggles to reinvent the lifestyle he knew before the war. Also explores the everyday life of the Anglo Texans who settled the Mexican land grants in the early nineteenth century and subsequently became citizens of the proudly independent Texas Republic.

Christianity, Femininity and Social Change in Contemporary China Li Ma, 2019-12-11. Women make up the vast majority of Protestant Christians in China, a largely faceless majority as their stories too often go untold in scholarly research as well as popular media. This book writes Protestant Chinese women into the history of twenty-first century China. It features the oral histories of over a dozen women, highlighting themes of spiritual transformation, politicized culture, social mobility, urbanization, and family life. Each subject narrates not only her own story but that of her mother as well, revealing a deeply personal dimension to the dramatic social change that has occurred in a matter of decades. By uncovering the stories of Christian women in China, Li Ma offers a unique window onto the interactions between femininity and Christianity and onto the socioeconomic upheavals that mark recent Chinese history.
