Digital Dilemmas Diana C. Parry, Corey W. Johnson, Simone Fullagar, 2018-12-05 The proliferation of digital technologies virtual spaces and new forms of engagement raise key questions about the changing nature of gender relations and identities within democratic societies This book offers a unique collection of chapters that brings together scholars from diverse backgrounds to explore how gender experiences and identities are being transformed by digital technologies in ways that affirm or deny social justice

Social Roots Cindy Gordon, Andrew Weir, 2014-09-30 Social Roots traces the history of a fundamental economic shift that is underway The shift is rooted in virtualization a key innovation factor but when combined with influence networks the significance becomes transformative The combined power of these dimensions is creating a new economic paradigm based on return on collaboration metrics rooted in social capital theory Inside is the story of the near magical transformation written specifically so we do not forget the significance of this decade of leadership in the influence economy Many of the stories in the first part of Social Roots are about organizations that took the opportunity to experiment and experience the power of social networking approaches to conducting business and social innovators striving to make the world a better place Their contributions to creating the influence economy are numerous and their story of how they achieved success creates a tapestry of insight

Research Outlook, Innovations & Research Trends in Science & Technology Prof S S Rajput, Prof Dr Zeliha Selamoglu, Dr Prashant P Chaudhari, Mrs Priyanka Gupta, 2020-10-25 This book is focused predominantly on academicians research scholars belong to science and engineering managers scientists technicians and other professionals in the field of qualitative research This book is comprehended from different sources of research in Science and Technology On the first occasion the task of providing researchers with a broad view of the relationship between science and technology The second reason for writing the book was the need to fill a gap in academics and research While many excellent books documents and article exist for innovative practices we have not found a work in which we can properly understand the content that the researcher needs to understand So after much deliberation we decided to collect all quality efforts in one string At the most basic level this book is trying to show research scholars what science technology and innovations are all about It cannot study or gain knowledge of that part and is at a level that most researchers should find clear and understandable Our goal was to develop content that will help researchers who are beginning to use innovative practices We hope to meet the needs of academicians research scholars who are being encouraged to incorporate more reading and writing in the field of science and technology In summary this book is targeted to the needs of individuals engaged in quality research activities in science and technology Our goal is to present the topics of creativity and innovation to this audience in a way that enables them to incorporate new skills into their daily work We would like to thank all the contributors who have made the production of this book so fascinating and enjoyable Their scholarship and dedicated commitment and motivation to getting it right are the keys to the book s quality and we greatly appreciate their good nature

over many months in the face of our editorial demands and time limits We are also grateful for using their texts ideas and critical remarks We would also like to thank Prof Dr Nilam N Ghuge Prof Dr D Ayub Khan Dawood Prof Dr Vilas A Pharande all reviewers and all authors for their help in consolidating the interdisciplinary of the book We are grateful to all the 18 institutions for their support It will not be possible to bring out this edition *Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post-COVID-19 Era* Baporikar, Neeta, 2021-02-05 A multidimensional approach to entrepreneurship especially in the post COVID 19 era will have an important influence on the state of business and government especially when considering the effects of technological development innovation glocalization and nationalization policies that need to be adopted for inclusive sustainable growth as well as the enhanced and efficient utilization of global resources That means there is likely to be a shift in how entrepreneurship development and entrepreneurial opportunities will be perceived developed and resourced The question is how to sustain SMEs and entrepreneurial innovation in the post COVID 19 era Thus comprehensive research and knowledge on designing policies and approaches to ensure the sustainability of SMEs and entrepreneurial innovation in post pandemic times are essential to sustain stimulate and foster SMEs entrepreneurship and entrepreneurial innovations The Handbook of Research on Sustaining SMEs and Entrepreneurial Innovation in the Post COVID 19 Era provides research dedicated to entrepreneurship with a special emphasis on the sustainability of SMEs and entrepreneurial innovations in the post COVID 19 era It provides discussion and the exchange of information on principles strategies models techniques methodologies and applications of entrepreneurship in the post COVID 19 era in the field of public and private organizations The chapters communicate the latest developments and thinking on the entrepreneurship subject worldwide by drawing on the latest developments ideas research and best practice to examine the implications of the changes taking place due to COVID 19 This book is ideally intended for entrepreneurs global organizations small and medium sized enterprises managers executives government officials policymakers researchers academicians and students who are interested in learning about designing or implementing policies that are more effective in the post pandemic era **Applied Machine Learning and Data Analytics** M.
