Horsley,2016-08-02 From a bright new talent comes a riveting psychological thriller about an American exchange student in France involved in a suspicious accident and the journalist determined to break the story and uncover the dark secrets a small town is hiding On a quiet summer morning seventeen year old American exchange student Quinn Perkins stumbles out of the woods near the small French town of St Roch Barefoot bloodied and unable to say what has happened to her Quinn's appearance creates quite a stir especially since the Blavettes the French family with whom she's been staying have mysteriously disappeared Now the media and everyone in the idyllic village are wondering if the American girl had anything to do with her host family's disappearance Though she is cynical about the media circus that suddenly forms around the girl Boston journalist Molly Swift cannot deny she is also drawn to the mystery and travels to St Roch She is prepared to do anything to learn the truth including lying so she can get close to Quinn But when a shocking discovery turns the town against Quinn and she is arrested for the murders of the Blavette family she finds an unlikely ally in Molly As a trial by media ensues Molly must unravel the disturbing secrets of the town's past in an effort to clear Quinn's name but even she is forced to admit that the American Girl makes a very compelling murder suspect Is Quinn truly innocent and as much a victim as the Blavettes or is she a cunning diabolical killer intent on getting away with murder Told from the alternating perspectives of Molly as she's drawn inexorably closer to the truth and Quinn's blog entries tracing the events that led to her accident *The American Girl* is a deliciously creepy contemporary twisting mystery leading to a shocking conclusion *Brandweek* ,2010

Anthropology and "Charlie Bit My Finger". The Social Impact of Viral Videos and Video Sharing Timothy McGlinchey,2016-05-30 Research Paper postgraduate from the year 2015 in the subject Ethnology Cultural Anthropology grade 1 0 Queen's University Belfast School of History and Anthropology course Social Anthropology language English abstract In the following project I intend to explore the social dynamics surrounding this relatively unexamined occurrence whilst focusing specifically on the processes and motivations behind video sharing In the past decade alone the aptly named viral video has progressed from a novel phenomenon to an almost daily occurrence on the internet These are defined by their

capacity to spread through social media outlets at alarming rates and gain the attention of staggering numbers of people throughout the world. Importantly, the mass dissemination of these videos relies substantially on individuals choosing to share them online through websites such as Facebook and Twitter. **Adweek**, 2010. Left to Their Own Devices Julie M. Albright, 2019. Digital natives are hacking the American Dream. Young people brought up with the Internet, smartphones, and social media are quickly rendering old habits and norms a distant memory, creating the greatest generation gap in history. In this eye-opening book, digital sociologist Julie M. Albright looks at our device-obsessed society and the many ways in which the post-World War II American Dream is waning for the Millennial generation. Albright notes that in the former age of traditional media, dominated by three major TV networks and the national print media, values were more harmonized and time synchronized. Today, with a deluge of information available 24/7, we are experiencing a sort of digital tribalism, with people coalescing inside of increasingly fragmented informational echo chambers. Digital media allows bad actors to enlarge the rifts between these siloed tribes in divide-and-conquer fashion, frothing up fears by propagating fake news and fake people online. What are other effects of hyperconnectivity coupled with disconnection from stabilizing social structures? Albright sees both positives and negatives. On the one hand, mobile connectivity has given digital nomads the unprecedented opportunity to work or live anywhere. On the other hand, new threats are emerging, including cyberbullying and the ability to radicalize marginalized youth. Decreased physical exercise, increased isolation, anxiety, and loneliness, ephemeral relationships, fragmented attention, spans, lack of participation in community activities, and the political process and detachment from the calm of nature or the refuge of religion. In this time of rapid, global, technologically driven change, this book offers fresh insights into the effects of always-on devices on the family, community, business, and society at large.

30-Minute Social Media Marketing: Step-by-step Techniques to Spread the Word About Your Business Susan Gunelius, 2010-11-12. BIG PRESENCE isn't just for BIG COMPANIES anymore. A social media marketing handbook for small business owners on the go. Social media has opened the door to anyone who wants to promote themselves, including small businesses. Designed specifically for busy small business owners, this book puts you on the fast track to maximizing your business's visibility and generating profits, regardless of the size of your marketing budget or the time you have to devote to it. 30 Minute Social Media Marketing provides 22 short chapters packed with real-world examples, templates, sample marketing procedures, and screen shots, taking you step by step through the essentials. With little time and effort, you will master the arts of Blogging and microblogging, Social networking and bookmarking, Audio and video, E-books and webinars, Direct and indirect marketing, Brand and relationship building, Word of mouth marketing, Expanding your reach and establishing your position, Integrating with traditional marketing, Evaluating results. By the end of the book, you will have completed a social media marketing plan that produces real results and created a strategy for future marketing plans, all in just 30 minutes a day.

She Memes Well Quinta Brunson, 2021-06-15. From Emmy Award-winning writer Quinta Brunson, creator and star of *Abbott Elementary*.

comes a deeply personal and funny collection of essays about trying to make it when you're struggling, the importance of staying true to your roots and how she's redefined humor online. Quinta Brunson is a master at breaking the internet. Before having any traditional background in media, her humorous videos were the first to go viral on Instagram's platform. From there, Brunson's wryly observant POV helped cement her status in the comedy world at large, with roles on HBO, Netflix, ABC, Adult Swim, BuzzFeed, the CW, and Comedy Central. Now Brunson is bringing her comedic chops to the page in *She Memes*. Well, an earnest laugh-out-loud collection about this unusual road to notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from a girl who loved the World Wide Web to a girl whose face launched a thousand memes. With anecdotes that range from the ridiculous (like the time she decided to go clubbing wearing an outfit she describes as Gary Coleman meets metrosexual pirate) to more heartfelt material about her struggles with depression, Quinta's voice is entirely authentic and eminently readable. With its intimate tone and hilarious moments, *She Memes* will make you feel as if you're sitting down with your chillest, funniest friend.

Proceedings of the Entomological Society of Washington, 2017. List of members in v. 13: 5-14.

The Virtual Hindu Rashtra Rohit Chopra, 2019-05-15. From websites devoted to battling a Left liberal media ecosystem to the formidable internet army of Hindu Right volunteers, from online narratives of Hindu valour to Narendra Modi's impeccably managed social media presence, new media is an integral part of present-day Hindu nationalism. The *Virtual Hindu Rashtra* examines the relationship of Hindu nationalism and new media across a range of internet spaces, including Twitter trends in support of the Bharatiya Janata Party's government policies, Facebook pages dedicated to the cultural project of establishing a Hindu state, and WhatsApp groups circulating jokes about Modi's critics. Situating online Hindu nationalism in a historical context, this book analyses the movement with respect to national and global political trends, such as the rise of authoritarian political personalities worldwide and the phenomenon of fake news. The book concludes with a reflection on the implications of the relationship of Hindu nationalism and new media for democracy in India.
