**If You're in a Dogfight, Become a Cat!** Leonard Sherman, 2017-01-10. Businesses often find themselves trapped in a competitive dogfight, scratching and clawing for market share with products consumers view as largely undifferentiated. Conventional wisdom suggests that dogfights are to be expected as marketplaces mature, giving rise to the notion that there are bad industries where it is unlikely that any company can succeed. But there are notable exceptions in which enlightened executives have changed the rules to grasp the holy grail of business long-term profitable growth. Rather than joining the dogfights raging within their industry, companies such as Apple, FedEx, and Starbucks have chosen to become metaphorical cats, continuously renewing their distinctive strategies to compete on their own terms. In *If You're in a Dogfight, Become a Cat*, Leonard Sherman draws on four decades of experience in management consulting, venture capital, and teaching business strategy at Columbia Business School to share practical advice on two of the most vexing issues facing business executives: why is it so hard to achieve long-term profitable growth and what can companies do to break away from the pack? Sherman takes the reader on a provocative journey through the building blocks of business strategy by challenging conventional wisdom on a number of questions that will redefine management best practices. What should be the overarching purpose of your business? Do you really know what your strategy is? Is there such a thing as a bad industry? Where do great ideas come from and how do I find them? What makes products meaningfully different? What makes and breaks great brands? How and when should I disrupt my own company? What are the imperatives to achieving long-term profitable growth? Filled with dozens of illustrative examples of inspiring successes and dispiriting falls from grace, this book provides deep insights on

how to become the cat in a dogfight whether you are a CEO mid level manager aspiring business school student or curious observer interested in achieving sustained profitable growth *Lincoln's Greatcoat* Re却ette G. Chilton,2019-04-11 Brooks Brothers crafted Abraham Lincoln's greatcoat in honor of the president's second inauguration The coat's wool was finer than cashmere Its quilted silk lining bore an embroidered banner that read One Country One Destiny Lincoln wore the garment when he was assassinated on April 14 1865 After his death Mrs Lincoln gave the greatcoat to a faithful doorkeeper The coat was returned to Ford's Theatre more than a century after her bequest but not before it underwent a mysterious journey This book recounts that journey as a reminder of the 16th president and his call to bind up wounds and care for others **RIA**
