Telling Chinese History Frederic E. Wakeman, 2009-03-10 Frederic Wakeman's scholarship is impeccable and the breadth of learning in this book is astounding I repeatedly found myself slowing down to savor the material Many of the essays in this collection are no longer easily accessible and placing them together in a single volume will be a great benefit to the next generation of students and scholars Joseph W Esherick author of *The Origins of the Boxer Uprising* This book brings together the best of Frederic Wakeman's articles all of which are beautifully written and represent the remarkable breadth of Wakeman's research The opportunity to read them together sheds new light on Chinese history and on the thought processes of one of the West's greatest historians Madeleine Zelin Director of the East Asian National Resource Center at Columbia University
