## **Paperback Tube Recommendations:**

Reading Bestsellers Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27 Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers leisure pursuits The starting point in this Element is readers opinions about and their uses of bestselling fiction in English Readers relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture Based on three years of original research 2019 2021 including a quantitative survey with readers interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space the authors highlight three core actions contemporary multimodal readers make choosing connecting and responding in a transmedia era where on and offline media practices co exist The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture reliance on trusted others and an ethic of responsiveness

Inside Book Publishing Angus Phillips, Giles Clark, 2019-08-09 Now fully revised and updated for its sixth edition Inside Book Publishing is the classic introduction to the book publishing industry Giles Clark and Angus Phillips offer authoritative coverage of all sectors of the industry from commercial fiction and non fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth of audio Major themes are explored including the development of digital products and the use of social media in book marketing as well as those that affect publishers businesses such as the rise of internet retailing rental models for student textbooks and open access where academic content is free to the user Case studies from industry experts give fascinating perspectives on topics such as crowdfunding self publishing and how authors can market themselves The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing sales and distribution As a manual for those in the profession and a guide for the potential publishers of the future Inside Book Publishing remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider s view of this exciting industry
