**Communication**

**Technology Update and Fundamentals** August E. Grant, Jennifer Meadows, 2020-06-04 Communication Technology Update and Fundamentals now in its 17th edition has set the standard as the single best resource for students and professionals looking to brush up on how communication technologies have developed grown and converged as well as what s in store for the future The book covers the fundamentals of communication technology in five chapters that explain the communication technology ecosystem its history theories structure and regulations Each chapter is written by experts who each provide a snapshot of an individual field The book also dives into the latest developments in electronic mass media computers consumer electronics networking and telephony Together these updates provide a broad overview of these industries and examine the role communication technologies play in our everyday lives In addition to substantial updates to each chapter the 17th edition includes the first ever chapter on Artificial Intelligence updated user data in every chapter an overview of industry structure including recent and proposed mergers and acquisitions and sidebars exploring sustainability and relevance of each technology to Gen Z Communication Technology Update and Fundamentals continues to be the industry leading resource for both students and professionals seeking to understand how communication technologies have developed and where they are headed

*Generation Z* Corey Seemiller, Meghan Grace, 2018-11-02 No other generation in history has received as much coverage as the Millennial generation Books Google searches blogs and news articles are everywhere about them Yet Generation Z is comprised of our youth and young adults today and has received very little attention comparatively Those in Generation Z are among our youngest consumers students colleagues constituents voters and neighbors Being able to better understand who they are and how they see the world can be helpful in effectively working with teaching supervising and leading them Generation Z A Century in the Making offers insight into nearly every aspect of the lives of those in Generation Z including a focus on their career aspirations religious beliefs and practices entertainment and hobbies social concerns relationships with friends and family health and wellness money management civic engagement communication styles political ideologies technology use and educational preferences Drawing from an unprecedented number of studies with higher education research institutions market research firms such as Pew and Census other generational researchers and industry leaders this is the authoritative defining work on Generation Z that market researchers consumer behaviour specialists and employers sorely need and it is a fascinating read for anyone interested in the sociology of generations

**Dance in US Popular Culture** Jennifer Atkins, 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such

expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body's sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

**Sweet Talkin' Lover** Tracey Livesay, 2019-12-30 Tracey Livesay delivers the first novel in her sexy new series about lifelong friends and unforgettable love stories When everything is on the line surrendering completely to love is your only choice Marketing manager Caila Harris knows that the road to success in the beauty industry doesn't allow for detours She's forsaken any trace of a social life working 24/7 to ensure her next promotion When grief over her grandfather's death leads to several catastrophic decisions Caila gets one final chance to prove herself shut down an unprofitable factory in a small Southern town But as soon as she arrives in Bradleton she meets one outsized problem the town's gorgeous mayor Wyatt Bradley isn't thrilled about his nickname Mayor McHottie He's even less happy to learn that his town might be losing its biggest employer If he has to he'll use some sneaky tactics to get Caila on his side Yet even as he's hoping she'll fall for Bradleton he's falling too right into a combustible affair that shakes them both with its intensity Two stubborn people torn between loyalty ambition and attraction But when you're willing to give it your all there's no limit to how far love can take you
