Cli Fi Novel 2025 Edition:

The Routledge Companion to Masculinity in American Literature and Culture Lydia R. Cooper, 2021-12-26 Recently the U S has seen a rise in misogynistic and race based violence perpetrated by men expressing a sense of grievance from incels to alt right activists Grounding sociological historical political and economic analyses of masculinity through the lens of cultural narratives in many forms and expressions The Routledge Companion to Masculinity in American Literature and Culture suggests that how we examine the stories that shape us in turn shapes our understanding of our current reality and gives us language for imagining better futures Masculinity is more than a description of traits associated with particular performances of gender It is more than a study of gender and social power It is an examination of the ways in which gender affects our capacity to engage ethically with each other in complex human societies This volume offers essays from a range of established global experts in American masculinity as well as new and upcoming scholars in order to explore not just what masculinity once meant has come to mean and may mean in the future in the U S it also articulates what is at stake with our conceptions of masculinity **Companion to Environmental Studies** Noel Castree, Mike Hulme, James D.

Proctor, 2018-05-01 Companion to Environmental Studies presents a comprehensive and interdisciplinary overview of the key issues debates concepts approaches and questions that together define environmental studies today The intellectually wide ranging volume covers approaches in environmental science all the way through to humanistic and post natural perspectives on the biophysical world Though many academic disciplines have incorporated studying the environment as part of their curriculum only in recent years has it become central to the social sciences and humanities rather than mainly the geosciences The environment is now a keyword in everything from fisheries science to international relations to philosophical ethics to cultural studies The Companion brings these subject areas and their distinctive perspectives and contributions together in one accessible volume Over 150 short chapters written by leading international experts provide concise authoritative and easy to use summaries of all the major and emerging topics dominating the field while the seven part introductions situate and provide context for section entries A gateway to deeper understanding is provided via further reading and links to online resources Companion to Environmental Studies offers an essential one stop reference to university students academics policy makers and others keenly interested in the environmental question the answer to which will define the coming century *Cli-Fi and Class* Debra J. Rosenthal, Jason de Lara Molesky, 2023-10-09 Since its emergence in the late twentieth century climate fiction or cli fi has concerned itself as much with economic injustice and popular revolt as with rising seas and soaring temperatures Indeed with its insistent focus on redressing social disparities cli fi might reasonably be classified as a form of protest literature As environmental crises escalate and inequality intensifies literary writers and scholars alike have increasingly scrutinized the dual exploitations of the earth's ecosystems and the socioeconomically disadvantaged Cli Fi and Class focuses on the representation of class dynamics in climate change

narratives With fifteen essays on the intersection of the economic and the ecological addressing works ranging from the novels of Joseph Conrad Cormac McCarthy and Octavia Butler to the film Black Panther and the Broadway musical Hadestown this collection unpacks the complex ways economic exploitation impacts planetary well being and the ways climatic change shapes those inequities in turn

finds will change the entire world Pulp Literature Winter 2025 George McWhirter, Jm Landels, Mel Anastasiou, 2025-02-28
Fresh genre busting fiction Good books for the price of a beer Medioevo latino ,2008 *Parable of the Sower* Octavia E. Butler, 2017-02-28 A New York Times Book of the Year Nebula Award nominee Featuring an introduction by Gloria Steinem
From the pioneering New York Times bestselling science fiction author of *Kindred* The radically speculative odyssey of a young Black woman in a post apocalyptic America and the community she cultivates despite the horrors of climate change and social inequality The time is 2025 The place is California where small walled communities must protect themselves from hordes of desperate scavengers and roaming bands of people addicted to a drug that activates an orgasmic desire to burn rape and murder When one small community is overrun Lauren Olamina an 18 year old Black woman with the hereditary train of hyperempathy which causes her to feel others pain as her own sets off on foot along the dangerous coastal highways moving north into the unknown A Friend of the Earth T. C. Boyle, 2011-08-01 _____ A comedy with teeth razor sharp and darkly funny TIMES Boyle s prose is so good and his imagination so fertile that after a while you just sit back and are swept along TELEGRAPH Surreal daring and compassionate Easily one of the best books of the year MAIL Superb if Boyle was from this side of the pond this is the book they d all have to beat for the Booker Prize SUNDAY TIMES It s 2025 and 75 year old environmentalist and retired eco terrorist Ty Tierwater is eking out a bleak living managing a pop star s private zoo It is the last one in southern California and vital for the cloning of its captive species Once Ty was so serious about environmental causes that as a radical activist committed to Earth Forever he endangered the lives of both his daughter Sierra and his wife Andrea Now when he s just trying to survive in a world cursed by storm and drought Andrea re enters his life Frightening funny surreal and gripping T C Boyle s story is both a modern morality tale and a provocative vision of the future
