Frustrating God Luis Scott,2013-09 Have you ever asked how God s knowledge of the future impacts your life today Frustrating God offers a challenge to the assumptions of open theism and provides answers that are both refreshing and new Theologians and laypeople alike have struggled with the extent God s knowledge the limitations of human free will and the practical implications these ideas have for everyday life Why doesn t God do something about all the evil in the world Have you ever tried to answer the question about God s goodness in light of the fact that people He created will be lost for all eternity How can God answer prayers if He does not know and may not be able to anticipate the future consequences of those answers How do we resolve the apparent conflict between human freedom and God s overwhelming power You can find the answer to these and many more questions in Frustrating God In this challenge to the theological view of open theism Pastor Luis Scott offers a radically new alternative to the seemingly tense relationship between God s foreknowledge and human free will This deepened understanding of God s nature can enhance your perception of a God so magnificent that the only word to describe our struggle to know Him is frustrating In Frustrating God you will begin a journey to a deeper knowledge of the mysterious God of the Bible the God who baffles us but loves us enough to lay the penalty of sin upon His beloved Son

The Cross Rod Parsley,2013-10-01 Rediscovering the Beautiful Scandalous Cross of Jesus Christ The cross is the hinge point of human history It is the fulcrum of God s grand brilliant lever four thousand years in the crafting that in a single day pried a fallen world from Satan s grasp The centrality of the cross is the hallmark of an authentic life giving gospel But today we stand at an intersection a literal crossroads of history in which for many even those with a genuine love for God and His Word the cross has lost its importance In The Cross Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture It is at the foot of the cross and there alone that we can look with wonder upon the raw ferocity of God s love for us To accept it and glory in it this is the only truly rational response Come along as we rediscover the power majesty and beauty of the cross and learn anew how to claim that power for your life
