Dream BIG! Deborah Rosado Shaw, 2002-01-08 CLAIM YOUR POWER Rising from a difficult and often daunting childhood to become the head of a multimillion dollar business Deborah Rosado Shaw is living proof that no matter how humble your beginnings or difficult your circumstances you can defy the odds and build the life you deserve In order to do so you must Dream BIG and Deborah s book shows you how Born to a Puerto Rican family living in the poorest congressional district in the country New York s South Bronx Deborah never allowed the hand she was dealt to dictate the outcome of the game Instead she rolled up her sleeves got to work and became CEO of her own enterprise A gripping testimonial to the stamina of the human spirit Dream Big tells you how to stop fighting fear get focused create something from nothing play beyond the rules and win and why quitting is necessary desperation is deadly fighting is essential suffering is optional Using her own personal stories as well as intimate anecdotes from other women whose energy and courage are contagious Deborah paints an invigorating and illuminating portrait of how to make life happen for you instead of just letting it happen to you

100 Miles of Baseball Dale Jacobs, Heidi LM Jacobs, 2021-03-16 From sandlots to major league stands two fans set out to recapture their love of the game For most of their lives together Dale Jacobs and Heidi LM Jacobs couldn t imagine a spring without baseball Their season tickets renewal package always seemed to arrive on the bleakest day of winter offering reassurance that sunnier times were around the corner Baseball was woven into the fabric of their lives connecting them not only to each other but also to their families and histories But by 2017 it was obvious something was amiss the allure of another Sunday watching their Detroit Tigers had devolved to obligation Not entirely sure what they were missing they did have an idea on where it might be found in their own backyard Drawing a radius of one hundred miles around their home in Windsor Ontario Dale and Heidi set a goal of seeing fifty games at all levels of competition over the following summer From bleachers behind high schools to manicured university turf to the steep concrete stands of major league parks 100 Miles of Baseball tells the story of how two fans rediscovered their love of the game and with it their relationships and the region they call home

Chronology of Twentieth-Century History: Business and Commerce Frank N. Magill, 2014-04-23 First Published in 2004 Volume II provides the hard facts and the history behind the headlines significant 20th century events in the evolution of all aspects of business and commerce are described in chronologically arranged articles The text of each article is divided into two sections Summary of the Event describes the event itself and the circumstances leading up to it and Impact of the Event analyzes the influence of the event on the evolution of business practice or on a major industry in both the short and long terms Each article concludes with a fully annotated Bibliography

[The Business Model Innovation Process](#) Yariv Taran, Harry Boer, Christian Nielsen, 2021-11-21 Business Model Innovation Process Preparation Organization and Management examines a range of critical questions that merit thoughtful interdisciplinary consideration such as Why do business models and their innovation in particular matter today How can the process of business model innovation be

understood organized and managed adequately under increasingly volatile uncertain complex and ambiguous technological business and geo political conditions What should decision making and risk management look like under these conditions with managers whose rationality is bounded The book offers a detailed account of the relatively unknown process of business model innovation by looking into the intersection of strategic operations and innovation management organizational design decision making and performance management In doing so this book addresses fundamental issues and introduces new ideas and theoretical perspectives In envisioning and thinking about various potential scenarios of business model innovation and understanding how to organize for each of these under different conditions the book provides original arguments and suggestions for practitioners For that purpose the book also offers many compelling real life examples of business models and their innovation Combining theory and practice this book is an essential read for researchers and academics of business model innovation as well as strategic management digital transformation innovation management and organizational change It will also be of direct interest to practitioners and business leaders seeking new perspectives to increase their competitive advantage
