## **Council Vatican II In Plain English:**

Vatican II in Plain English - the Collection Bill Huebsch,1997 The Second Vatican Council met from 1962 through 1965 and is the most significant event in the last 400 years of Christian history It changed the face of the Roman Catholic Church forever and dramatically affected all the people of the world Author and theologian Bill Huebsch has provided a thorough and thoroughly readable telling of the story of Vatican II    **The Council** Bill Huebsch,2007-03 This set of three books unpacks the vision and power of Vatican II and makes it available to everyone

**The Story and Promise of Vatican II: in Plain English** Bill Huebsch,2020-07-18 The story and promise of the Second Vatican Council are part and parcel of the church's daily life throughout the world It isn't possible to prepare for or enact pastoral ministry today without being a student of Vatican II From participatory liturgy to whole family faith formation from the RCIA to the diaconate and from the renewed call to holiness to the renewed age of mercy the springboard of the modern church is Vatican II Because of this knowing about the story of Vatican II is essential to understanding its promise This volume tells that wonderful story of the council and it does so in plain English It follows an exciting chronological pathway from the beginning of the council to its final bell But the deep promise of the council is found in the documents themselves Church documents don't always make for compelling reading but the plain English presentations which author Bill Huebsch provides here make this book a page turner Huebsch captures the excitement and rapidly unfolding drama all set in the theater of St Peter's Basilica during those four years in the early 1960s He treats each character with dignity and respect moving beyond the judgments of too liberal or too conservative that have dogged the Church and created division rather than unity This book fills its readers with hope and equips them to unfold the promise of the Second Vatican Council in today's world

**The Decrees and Declarations** Bill Huebsch,1997

*Innovative Catholicism and the Human Condition* Jane Anderson,2016-05-20 Innovative Catholicism and the Human Condition gives an anthropological account of a progressive religious movement in the Roman Catholic Church that is attempting to reconcile religious conviction and reason and ergo modify the human condition Investigation is given to a representative group of this movement Innovative Catholics who are endeavouring to maintain the momentum for change which began in the 1960s and 1970s They now find themselves caught between traditional notions of religion and a secularised society while trying to reconcile these polarising forces to find a pathway forward While ethnographic fieldwork for this research was conducted in Australia this movement is to be found across the Western world The research is framed by the question posed by Jürgen Habermas who asks whether the democratic constitutional state is able to renew itself and recognises a benefit in learning from religion Cardinal Joseph Ratzinger subsequently Pope Benedict XVI responds by asserting the need for a common ethical basis and limits on reason This latter position however remains problematic for Innovative Catholics who are conscious of history and culture The research explores how Innovative Catholics who in taking the middle position inform this dialectic on secularization through their ideas and practices about the human condition

Whole Church Rune Larsson, 2021-07-20 Whole church for the sake of the world A church informs about its faith through all that it says and does This threefold way of telling determines what the recipient hears Therefore if a church wants to be true to its mission it must constantly ask itself two questions What is the church s calling and what is the message it sends How do our churches deal with this challenge The Church is not for its own sake but for the world one of the analyzed documents says It is called to be an instrument for our loving God s plan to heal a broken world The basic pattern is found in the Holy Scriptures but in every time and every cultural context the Church must seek relevant ways and forms And why not do this in conversation and with open ears to the experiences of others and with the courage to change if necessary The first part of the book is the result of such a listening Perhaps it surprises someone that I turned to three American Catholics to listen to their experiences Inspired by the radical message of the Second Vatican Council they challenge their own church to a radical paradigm shift on the way of being a trustworthy church Using the model they developed as a base I turned to my own church the Uniting Church in Sweden by asking the same question battery and the same to an ecumenical document The Church Towards a Common Vision And the result Yet another reminder that every church that wants to be part of God s mission for the sake of the world must constantly test itself in the face of the critical questions of how it faithfully can pass on its message of joys and hope to the world

**Tomorrow's Church Today** Michael Kelly, 2016-09-20 In his last interview the late Italian Cardinal and former Archbishop of Milan Carlo Maria Martini said the need for deep reform in the Catholic Church was urgent and long overdue because the Church is 200 years behind the times The reference to 200 years clearly points to the watershed in European life that the French Revolution and the Enlightenment became Vatican II was one attempt to meet the challenge of relevance to our times But its best efforts have been on ice since the late 1970s Now a new opportunity arrives in the pontificate of Jorge Mario Bergoglio And the movement he has initiated is evangelical in source and comprehensive in reach But as many observers have pointed out it will not be lasting if it does not lead to sustainable structural change to reform that accompanies renewal In Tomorrow s Church Today five highly qualified commentators focus on what lies ahead for the Church to be reformed if it is to meet the challenges of the 21st Century o A theologian and historian Massimo Faggioli who targets how ministry and leadership can be reshaped authentically for our times o A journalist and radio host for the Australian Broadcasting Corporation the ABC Geraldine Douque writes a candid piece on how she would advise Pope Francis on the state of the Church o A reporter and analyst with 30 years experience of moves and machinations in the Etenrnl City Robert Mickens o A bishop with a lifetime of experience of ministering to the divorced and remarried and the benefit of legal and biblical scholarship to support his approach Geoffrey Robinson o A biblical scholar who examines much of what s taken for granted in the governance of the Church and exposes where it is left wanting Antony Campbell and o A bishop whose forced resignation exposes the deficiencies of a system of governance devoid of basics due process and respect for natural rights But the Catholic Church is not its clerics scholars and commentators It is the baptised
