## **Courage Adventuress Messiah Princeton Library:**

Courage, The Adventuress and The False Messiah Hans Jacob Christoffel von Grimmelshausen,2015-12-08  
Grimmelshausen's enduring fame as Germany's greatest satirical novelist has rested mainly on *The Adventurous Simplicissimus* the first of four novels comprising the Simplician cycle. Less well known though of equal interest for their penetrating and satiric insight into seventeenth century beliefs and superstitions are the two Simplician tales now made available to English readers in this edition. *Courage The Adventuress* the fictional biography of a camp follower in the Thirty Years War a grimly humorous tale told in the earthy language of the people and *The False Messiah* comprising nine chapters from Grimmelshausen's last work *The Enchanted Bird's Nest Part II*. The book includes an Introduction with an account of Grimmelshausen's life works and philosophy as well as critical comment on the two works. Originally published in 1964. The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
