The Sir Roger De Coverley Papers From the Spectator Eustace Budgell, 2016-06-26 Excerpt from The Sir Roger De Coverley Papers From the Spectator Edited for School Use A chief aim of this book is through its suggestions for study to relate the reading of a great masterpiece to the student's everyday experience and to his practice as a writer of English For the most valuable of lessons in writing for the admirable doing of what we all constantly try to do there could be nothing better than the 8277 Roger de Coverley Papers Their wide range of interest and vivid portrayal of everyday life make them at once stimulus and example to the appreciative student and a wise use of them in the classroom should leave him not only with a deepened love of literature but with a fair working knowledge of the principles of prose composition About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sir Roger de Coverley Papers (Classic Reprint) Joseph Addison, 2015-07-05 Excerpt from Sir Roger De Coverley Papers The first of our society is a gentleman of Worcestershire of an ancient descent a baronet His name Sir Roger de Coverley His great grandfather was inventor of that famous country dance which is called after him All who know that shire are very well acquainted with the parts and merits of Sir Roger He is a gentleman that is very singular in his behavior but his singularities proceed from his good sense and are contradictions to the manners of the world only as he thinks the world is in the wrong However this humor creates him no enemies for he does nothing with sourness or obstinacy and his being unconfined to modes and forms makes him but the readier and more capable to please and oblige all who know him When he is in town he lives in Soho Square It is said he keeps himself a bachelor by reason he was crossed in love by a perverse beautiful widow of the next county to him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any

O. S. Lowell, 2018-03-23 Excerpt from The Sir Roger De Coverley Papers From the Spectator Edited With Notes and an Introduction As to Addison's grammar while his principal departures from modern idioms have been noted the sacrilege of paraphrasing has been studiously avoided Here and there the papers have been slightly edited for obvious reasons The Partridge hoax has been purposely treated at considerable length in the Introduction not only because it is famous in literature has a direct bearing upon the inception of the Tatler and is most amusing in itself but also because it gives an interesting glimpse of one of the most famous contemporaries of Steele and Addison and Dean Swift The chronological table has been made a little fuller than in other books of this series in the thought that some may become interested in the lives of the two principal characters and wish to follow them up in detail After a brief course of reading in some of the books suggested under bibliography p The student might be required to write a sketch of Addison or Steele using as a brief the chronological table About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such

De Coverley Papers (Classic Reprint) Joseph Addison, 2018-01-22 Excerpt from De Coverley Papers My worthy friend has put me under the particular care of his butler who is a very prudent man and as well as the rest of his fellow servants wonderfully desirous of pleasing me because they have often heard their master talk of me as of his particular friend My chief companion when Sir Roger is diverting him self in the woods or the fields is a very venerable man who is ever with Sir Roger and has lived at his house in the nature of a chaplain above thirty years This gentleman is a person of good sense and some learning of a very regular life and obliging conversation he heartily loves Sir Roger and knows that he is very much in the old knight's esteem so that he lives in the family rather as a relation than a dependent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
