

Sentence Skills Study Guide for the ACCUPLACER (CPT)

© 2006 by the University of North Carolina

The following sample questions are selected to show format and content of questions on the **Acquainted** subtest of the test. Remembering these samples will give you a good idea of how the test works and give you an idea of your strengths and weakness skills you may wish to practice before taking the test itself. One question on answering questions with the information on provided cues, we really provide the three answers, and there are also one more. The correct answer will be indicated with your choosing about your answers.

We suggest four answering strategies:

1. **Take your time.** The test is not timed. Pacing and choice answers carefully without hurrying about the skills being tested.
2. **Read carefully.** Be sure to understand exactly what each question requires.
3. **Think carefully.** The test requires you to recognize or select the information for parts of given sentences. Answers should reflect what language you.
4. **Write letters showing an answer.** The correct answer is represented with letters. The test is designed for given answers before answering.

THE SAMPLE QUESTIONS

Questions on the test will not necessarily contain such as the following. This will be with what changes your own answers through answers. Your own answers should be progressively correct and more accurately the same meaning to the original.
