**Digital Discipline** MD MUBEEN KHAN,2025-12-29

Technology has brought the world to our fingertips yet today I see a growing struggle especially among students Over the past few years I have personally interacted with hundreds of young learners and a painful reality keeps repeating they do not want to be addicted to screens yet they feel powerless to control it Many of them tell me Sir we want to stop but we can't This sentence alone reflects the silent battle of this generation While discussing with numerous students I experienced situations that were both heartbreaking and embarrassing not because of them but because of how deeply technology has taken over their lives Their academic focus is collapsing their confidence is disappearing and their potential is being buried under endless scrolling This book was born from all these experiences My students want to quit digital addiction they want to focus on their studies they want to grow but a 30 minute motivational lecture only lasts for one day On the next day the struggle begins again I realized that motivation is not enough What they truly need is a system a practical daily step by step guide to help them take back control of their digital life That is why I wrote Digital Discipline
