no limits. The truth is not that you need to change more than just adapting your plans. And you don't necessarily need lots of a college degree or business experience to be an entrepreneur. Making a living your day job means you have to do things differently to take control of your future and find a dream path for yourself. If setting your foot on the path to success poses a challenge, rest assured you're not alone. Many of us have grown worse after doing their dream job, doesn't really matter. Others feel the need to do things better, but the truth is, it's not about the motivation to be an entrepreneur; you just start right away.
