Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is a key part of learning to read and write. It helps children to understand how words are made and how to spell them correctly.

How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and say them out loud. Encourage your child to join in and say the words with you. This will help them to hear the sounds of the words and to learn how to spell them.

Phonics games

There are many fun phonics games that you can play with your child. Some of the best games are word search, crosswords, and word building.

Phonics resources

There are many resources available to help you teach your child phonics. Some of the best resources are books, websites, and videos.

Phonics tips

Here are some tips to help you teach your child phonics. First, make sure that your child knows the sounds of the letters. Second, encourage your child to use their knowledge of the sounds of the letters to spell words.

What is the phonics screening check?

The phonics screening check is a test that is given to children in Year One. It is designed to assess their knowledge of the sounds of the letters and their ability to join them together to form words. The test consists of two parts. In the first part, children are asked to identify the sounds of the letters. In the second part, they are asked to join the sounds together to form words.

The phonics screening check is an important part of the Year One curriculum. It helps teachers to identify children who may need extra support with their phonics skills. It also helps children to develop their confidence and fluency in reading and writing.
