### Buy, Hold, and Sell! Ken

Moraif,2015-01-23 Protect your retirement from the next big crash with a New Twist on the Old Investment Strategy For years advisors have recommended that investors take a buy and hold approach to the market but people over fifty can't afford to rely on this strategy Buy Hold SELL uncovers the myth of the buy and hold investment philosophy and explains why it's dangerously incomplete Written by Ken Moraif one of Barron's top 100 Financial Advisors in the United States three years a row and who called the 2008 market crash in November of 2007 this book outlines an alternative strategy that better serves investors who are at retirement age Written in easy to understand language and buoyed by Ken's trademark humor this guide shoots down the myths that keep investors in risky markets and arms readers with the knowledge motivation and strategies that may help them survive and even thrive during the inevitable next bear market Too many retirees lost a large percentage of their investments during the market collapse of 2008 and spent years trying to regain their footing During the

collapse many advisors told their clients to stay in the market Ken did the opposite advising his clients and listeners of his popular radio show Money Matters to get out of the market in November of 2007 before the economic meltdown With this book Ken shares his 26 years of experience to help investors prepare for the imminent bear market that could devastate their retirement plans For those looking to build a sound financial plan for the long run this book provides expert insight and solid advice with supporting charts graphs statistics and anecdotes Understand the buy hold SELL strategy Learn how to design a sell strategy to protect principal in the next bear market Find clear cut information regarding retirement finances Discover the benefits of a diversified portfolio This book expands upon old advice to provide the most important part of the equation a sell strategy designed to protect principal The goal of Buy Hold SELL is not to make investors rich quick but to help keep them from becoming poor     The Writer William Henry Hills,Robert Luce,1907     **Personal Finance** Bernard J.

### **Happy To Be Different: Personal and Money Success through Better Thinking**

Dan Danford,2020-08-28 The articles I wrote for ordinary people became my obsession Why It is because the mass of information created for ordinary people isn t very helpful It s boring It s hard to understand It s dictatorial It s irrelevant Did I mention that it s boring So I created a different style of writing about money to answer these problems I tried to explain things in a way that makes sense to normal folks I dispensed with the bossy junk the worn out examples and the rules of thumb routinely ignored by millions Instead I tried to make the lessons real and explain things in a way that normal people can understand I also argue against the austere budget dictated by finance professionals everywhere Have some fun I say Go ahead and drink that latte Order those season tickets Let eBay or Amazon help you succeed Buy the house you want and don t fret much about payments Dan Danford CFP has been a financial advisor since 1984 He started Family Investment Center in 1998 and his columns and articles have appeared in hundreds of magazines journals and newspapers Most of all his continuing work with actual clients sets him apart from most personal finance writers He is a gifted communicator about financial topics and his stories and examples teach valuable lessons on how to succeed financially Money won t buy happiness he explains but it can eliminate or reduce some of the stress that makes people unhappy

*Ticker and Investment Digest* ,1918     *Magazine of Wall Street and Business Analyst* ,1920     **Wine, Women & Wealth** Denise Arand,2019-10-25 Imagine how great life would be if you knew the money rules ahead of time and the tools you could use to create great financial success This book breaks the long standing taboo that it s not polite to talk about money right up there with politics sex and religion Which means that money is not talked about at cocktail parties it s not talked about around the dinner table it s not talked about in the classroom or anywhere else for that matter Until now Years ago working as a financial professional I realized that many women had little to no education about personal finance That coupled with the fact that almost all women will have total control over their money at some point in their lives yet most feel completely unprepared for that set me on a mission to educate and empower women regarding their finances This book creates a place of inspiration and reference for all women who want more success in their relationship with money
