Zhang Yiming ByteDance and Beyond Sebastian Hale, Founder of TikTok's parent company Yiming revolutionized global content algorithms His creation reshaped media consumption and privacy debates in the digital age **Weekly World News**, 2000-11-28 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **Bowling Alone: Revised and Updated** Robert D. Putnam, 2001-08-01 Once we bowled in leagues usually after work but no longer This seemingly small phenomenon symbolizes a significant social change that Robert Putnam has identified in this brilliant volume Bowling Alone which The Economist hailed as a prodigious achievement Drawing on vast new data that reveal Americans changing behavior Putnam shows how we have become increasingly disconnected from one another and how social structures whether they be PTA church or political parties have disintegrated Until the publication of this groundbreaking work no one had so deftly diagnosed the harm that these broken bonds have wreaked on our physical and civic health nor had anyone exalted their fundamental power in creating a society that is happy healthy and safe Like defining works from the past such as *The Lonely Crowd* and *The Affluent Society* and like the works of C Wright Mills and Betty Friedan Putnam's Bowling Alone has identified a central crisis at the heart of our society and suggests what we can do **Bowling Alone** Robert D. Putnam, 2000 Packed with provocative information about the social and political habits of twentieth century Americans **Questioning Technology with Jacques Ellul** David W.
