Gary, 2001-07 *The Brides of March* Beren DeMotier, 2007 The bride was covered in cracker crumbs but didn't care. The Brides of March drove mini vans, paid taxes, bought braces and joined the PTA, never expecting the phone call in March 2004 that would send them leaping through the suddenly opened window of same sex marriage with their kids along for the raucous ride. The Brides of March is a bride's eye view of same sex marriage at a moment's notice with a bevy of brides, their coterie of children, donuts, newspaper reporters, screaming protesters, mothers of the brides who never thought they'd see the day, white wedding cake and a houseful of happy heterosexuals toasting the marriage. But that was only the beginning as these private declarations of love became public fodder fueling social commentary letters to the editor and the fires of political debate when all the brides wanted was the opportunity to say I do in this candid, poignant and frequently funny tale of lesbian moms getting to the church on time in Multnomah County. DeMotier opens your eyes to the heart and soul of this generation's civil rights battle. Diane M. Linn, former Multnomah County Chair, a beautifully written, quirky look at the pros
