The Reformed Apprentice Volume 4 C. Matthew McMahon, 2017-05-18 There is nothing like the Reformed Apprentice workbook series anywhere in the Christian community It is designed to bring Reformed Theology to Christians seeking a deeper walk with Jesus Christ in the form of a workbook not simply a text to read In old England an apprentice was a novice who engaged in a covenant with a tradesman to learn a particular trade A workbook of this kind for today's Christian was created to engage the student of the Bible to be apprenticed under the historical pastors theologians and teachers of Reformed Theology As the Christian learns and grows in Christ through the Bible they mature into a Reformed Apprentice As with each of the workbooks in this series its purpose is to guide the Christian into a deeper knowledge and relationship with the Lord Jesus Christ as he has revealed himself to the church in his Word and by his Spirit through the centuries in Reformed Theology Cultivating a relationship with Christ takes work and every Christian is commanded by God to have communion with the Father through Christ in the power of the Spirit How powerful is your devotional life This volume specifically covers the three spiritual disciplines which make up private devotions in bible reading and study prayer and godly meditation It extensively quotes the Reformers the Puritans and Reformed theologians from
